

Needs Assessment

The New Teacher Self-Assessment/Needs Form on the next pages should be introduced during early contacts. Using this form will provide the mentor with a starting point in working with the new teacher. The form also provides a mechanism for the new teacher to reflect upon his/her immediate needs. The new teacher should check those areas in which he/she would like some assistance and, in the space allotted, describe his/her concerns or perceptions of need. When completed, the form can be discussed.
