

Your student is quarantined

- Contact the school nurse if you have not spoken to her.
- Isolate at home.
- Monitor for symptoms.
- Get tested if symptoms arise.
- Notify school if test is positive.

Quarantined/ Isolated Student Plan

Academic Assistance while quarantined

- Teachers will provide synchronous and/or asynchronous learning, depending on the course or lesson.
- Synchronous: live class presentations with students and teachers participating in real time.
- Asynchronous: Some lessons will require only student independent work.

Learning Spaces

- Log in to the content teacher's Moodle page.
- Click on the *Learning Spaces* tab
- Participate in real time with live content classes by clicking on the Zoom link.
- Follow your regular schedule.
- Log in on time.

Follow-Up

- Elective and PE classes will have asynchronous activities on their Moodle pages.
- Live lessons will not be recorded.
- All tests will be completed when the student returns to the traditional classroom setting.
