

Title I, Part A (Title I)

of the Elementary and Secondary Education Act, as amended by Every Student Succeeds Act (ESEA), provides financial assistance to local educational agencies (LEAs) and schools to help ensure that all children meet challenging state academic standards.

How it works

Title I, Part A, provides grants to school districts which then allocate most of these funds to individual Title I schools based on their percentage of low income children.

What will Title I do for my child?

The Title I program will provide your child with extra educational assistance beyond the regular classroom.

Title I programs generally offer:

- extra instruction in reading, math, and other skills.
- additional teaching materials and equipment which supplement their regular instruction.

Which schools does Title I serve?

Northwestern Elementary, Rollins Place Elementary, Zachary Elementary, Copper Mill Elementary, and Northwestern Middle participate in the Title I program. Money from the Title I program provides additional resources to the schools such as technology, in and after school tutoring, classroom materials and supplies, staff development, and parental involvement activities.

Parental Involvement

Each Title I school develops a parental involvement policy for their school. Each spring the policy is reviewed at a School Improvement Committee meeting. Parents are encouraged to take part in this review. Contact your individual school for the time and place.

Title I Parents Right To Know

As a parent of a student in Zachary Community Schools, you have the right to request information about your child's teacher qualifications. You can also request qualification information on any paraprofessional assisting your child. This information is available by contacting the ZCSD Human Resources Department at 225-658-4969.
