

ZACHARY COMMUNITY SCHOOL DISTRICT

TITLE I PROGRAM

Title I is a federal program that provides supplemental funding to local school districts to improve the academic achievement of students.

What is the Title I Program?

Title I is the largest federally funded program for PK-12 schools. Through Title I, money is allotted to school districts around the country based on the number of low-income families in each district. The focus of the Title I program is on helping all students meet the same high standards expected of all children.

Who is eligible to participate in the Title I Program?

The local district determines which schools are eligible to receive the Title I funds. Schools with enrollment of 40% or more students are eligible to operate a schoolwide Title I program.
