Dear NES Parents,

I hope this letter finds you and your family safe and healthy. I'd like to take this opportunity to let you know that we miss seeing our students' sweet faces every day. We wish we would have had the opportunity to give them warm hugs and wish them well as we said our "Have a great summer!" farewells. Thank you for your patience and understanding as we work together during this time. Under these unfortunate circumstances, our teachers and staff have been grateful for opportunities to share with them our love through heartfelt greetings and bedtime read-aloud stories on Facebook, links to learning resources on our district webpage, and messages through Dojo.

### **Continued Learning Plan Phase II- Kindergarten Lessons**

With the Governor's announcement of school closure through the end of the academic school year, our district is providing more at-home learning opportunities for our students. Please visit our district's [at-home learning page](#) to view Northwestern Elementary resources. NES teachers have created lessons that will help prepare your child for next year. These lessons are shared and organized in a way that you may find helpful yet enjoyable as you work with your child at home. You and your child can work at a flexible pace; however, new sets of learning opportunities will be shared weekly to ensure a variety of fresh activities.

### **Supplemental Instructional Platform**

In addition to the Kindergarten Lessons created by our teachers, you will find a link to Edgenuity Pathblazer, an online curriculum your child may navigate through for additional support. Pathblazer is a personalized program that provides supplemental online instruction in math and ELA. In addition, Pathblazer will provide targeted instruction for each student based on his or her individualized NWEA scores.

We have included a [video link](#) to assist you in navigating the online resources on the Zachary Community School District's website. Your child will use the same log in information for both Teacher Lessons and Edgenuity Pathblazer.

If you have questions regarding any learning activities or how to access these resources, feel free to contact Kelli Day at [kelli.day@zacharyschools.org](mailto:kelli.day@zacharyschools.org), or Laurie Condon at [laurie.condon@zacharyschools.org](mailto:laurie.condon@zacharyschools.org) for support. Please know we are available and happy to provide assistance to you.

Sincerely,

Kelli Day, Principal
