6th grade Science

See page 2 of this document

6th grade Science

For parents:

<https://www.louisianabelieves.com/resources/library/teacher-support-toolbox-library/6-8-grade-science-teachers>

Download the 6th grade science standards. This is what your child is expected to know by the end of 6th grade.

For your child:

<http://moodle2.zacharyschools.org/course/index.php?categoryid=66>

Use teacher power points from their Moodle page along with the following links:

<https://www.brainpop.com/science/>

Brainpop is offering free access to their materials at this time.

<https://mosamack.com/>

There are some free units here. Food webs would be a good one to try because we have not gotten to this yet.

<http://studyjams.scholastic.com/studyjams/jams/science/index.htm>

Science Videos

<https://www.footprintnetwork.org/resources/footprint-calculator/>

See how many Earths it would take if everyone lived the way we do!

6th grade Science

<https://phet.colorado.edu/>

Simulations that cover our standards:

- Balloons and Static Electricity
- Bending Light
- Build an Atom
- Charges and Fields
- Color Vision
- Energy Skate Park
- Forces and Motion
- Gravity and Orbits
- Gravity Forces
- Magnets and Electromagnets
- Magnet and Compass
- States of Matter: Basics
- Waves Into
- Waves Interference
- Wave on a String
- Sound
- Build a Molecule
- Molecule Shapes
- My Solar System
- Lunar Lander

You tube searches:

Amoeba Sisters videos are all helpful.

5th grade Science

This link will take you to daily videos of our curriculum's PhD Science lessons, responding to teachers, students, and parents at home during the coronavirus outbreak. The lessons and resources will allow teachers and students to continue their progress through our coherent, comprehensive curricula delivered in schools.

Please click on the link and select the PhD video that you would like to watch. A new video will be released each day. We were in Module 4 when we last had class.

Intervention

MATH:

www.factmonster.com/math/flashcards

Practice your math facts with these flashcards. Find addition, subtraction, multiplication and division flashcards, from basic math facts to 3-digit problems.

<https://www.arcademics.com/>

Practice fluency with free multiplayer educational games, math games, language arts games, and more!

<https://student.freckle.com/#/login>

I have set up some assignments via Freckle so that you can get some extra practice during our extended break. Just in case you have forgotten your log in info, I have included it below. If you have any questions, please feel free to email me at kynetra.hawkins@zacharyschools.org

5th Grade Class Code: **9sxwuq**

6th Grade Class Code: **x2qc4y**

Directions:

1. Go to student.freckle.com
2. Type in your class code
3. Type your first name
4. For your last name, type the first letter of your last name followed by your class code
