Rollins Place Elementary School

At-Home Resources

Seesaw

Our students are connected to Seesaw. If you have not connected to Seesaw as a parent, please email your child's teacher. Individual teachers will use Seesaw to send out announcements that pertain to individual classes.

English Language Arts

The most important thing that students can do from home is
READ, READ, READ.

The following are options
for reading at home.

<https://www.ebrpl.com>

The East Baton Rouge Parish Library offers options for digital access for FREE. The following video is an explanation from one of our teachers about how to access this from home.

 [20200313_202051000_iOS.MOV](#)

<https://www.getepic.com>

Epic offers popular children's titles. Some are read aloud and have quizzes and other activities included. Epic is \$7.99/month but has a free 30 day trial period.

****Check the Rollins Place
Facebook page for read alouds
from our teachers.****

Science/Social Studies

www.scholastic.com/learnathome

Scholastic is offering 20 days of exciting articles and stories, videos, and fun learning challenges. Children can complete them anytime, in any order. They can work on their own or together with you and your family.

Math

www.zearn.org

Students should all have username/password info. If you have trouble accessing Zearn, please contact your child's teacher. Zearn follows along with our math curriculum, provides instructional videos, fluency practice and opportunities for students to practice the skills they are learning. Note that one "lesson" on Zearn usually consists of 3-4 parts and will take approximately 30 minutes to complete.

oZearn is offering webinars for parents about using Zearn at home with students. More information can be found here.

Math facts/fluency

Some of our classes use Fast Math. If your student does use Fast Math, the following document provides information on accessing this program from home.
