Hello Zachary Families,

I want to provide you with an update on our student feeding program during this school closure.

We are excited to announce our partnership with **BREC** and the **Three O'clock Project**. The Three O'clock Project will provide free healthy meals for children 18 years old and younger in our community. Beginning **Monday, March 30th**, this organization will visit four (4) locations each week, **Monday-Friday**. The schedule for meal pick-up can be found below.

Parents and/or guardians may pick up meals on behalf of their children.

Thank you,
Scott Devillier, Superintendent
