**P.O. Box 87  
Zachary, La 70791**

The Zachary community is renowned for its character, pride, and willingness to support our schools. Zachary schools achieved the #1 state academic ranking this year and we are proud of our teachers and students!

The Foundation Assisting Zachary Education (FAZE), founded by a group of businessmen and concerned citizens in 1992 played an important part in the formation of our independent school system. FAZE continues to support all the schools with funds that provide for academic needs not included in the regular budget.

We extend to you an invitation to join the efforts of FAZE and become part of an organization of individuals and businesses who believe that “what’s good for our schools is good for Zachary commerce”. All of the donations are tax deductible as we are a 501(3)C non profit organization. One hundred percent of your contribution goes directly to the schools. The board members cover all operating expenses of the organization.

Since 1992 we have raised over \$174,000 to help our schools purchase computers, software, resource materials, and instruments that enrich the education of our children. We have also funded continuing education seminars for our teachers who bring home the latest in educational advancements to share with their colleagues and our students.

Please consider joining forces with us as we continue to support our teachers, students, and schools in Zachary. If you or someone in your business would like to serve on the board, please let us know.

Thank you again for your investment in the Zachary Community and our School System!
