

# ZACHARY COMMUNITY SCHOOL DISTRICT

## BOND PROGRAM

*Building Zachary's Future*

### System Goals

- Keep Grade Clusters for 10 years based on growth data
- Align Grades in Ideal Academic Configuration
- Eliminate Temporary Buildings
- Provide for Continued Growth

### Plan Summary

The Zachary Community School District will ask voters to authorize the sale of an additional \$40 million in bonds in a November 2, 2010 election. If approved, the district will begin construction on a new 1st and 2nd grade school on the 62 acres that currently house the new Early Learning Center. Upon completion of that facility, Northwestern Elementary will become a Kindergarten center. 1st and 2nd grade will move to the new site. 3rd and 4th grade will move to Zachary Elementary School which will undergo a significant renovation project including the construction of a new 30 classroom building and a new cafetorium. 5th and 6th grade will be housed at Copper Mill Elementary which get new science labs and a new physical education gymnasium. 7th and 8th graders will remain at Northwestern Middle School. Zachary High School and Port Hudson Career Academy will keep their existing configurations with Port Hudson seeing renovations and additions to increase career and technical program offerings.

### Proposed School Configuration and Projects

#### Zachary Early Learning Center (PreKindergarten)

#### Northwestern Elementary (Kindergarten Center)

Covered Play Area
