

ZACHARY COMMUNITY SCHOOL DISTRICT

SOCIAL & EMOTIONAL LEARNING (SEL)

Social-emotional learning is the process of developing self-awareness, self-management, social awareness, relationship skills, and responsible decision-making.

Our Goal:

The Zachary Community School District is dedicated to providing a social-emotional learning program that fosters skills and strategies that create a safe and positive school climate and a nurturing learning environment for all.

- Build Healthy Relationships and Effective Communication
- Improve student attitudes and beliefs about self, others, and school
- Increase academic performance and more confident students

Assessment & Curriculum

- Aperture Education SEL assessment.
- CASEL standards
- Second Step Curriculum (K-8)
- Life Skills Curriculum (9-12)

Support Staff

- Districtwide Social Workers
- School Psychologists
- School-Based Certified Counselors
- Partnerships with External Counseling Sources

Bringing SEL to the Classroom

The Zachary Community School District has selected 10 words of the month, which are designed to focus district-wide specific attention on a single positive action concept.
