Rules Governing the Salary Schedule (Act 1)

1. Placement	The salary of all new employees and changes to an employee's salary are to be approved by the Superintendent and submitted to the Human Resources Director.	
2. Effectiveness	Supplements to the base salary in the amount shown in the schedule below shall be paid to teachers and other school certified personnel who qualify for some as determined by the performance evaluation program provided in LSA-R.S. 14:3881 through 3905. Such supplements shall not be paid in any year in which the employee's performance is rated "ineffective" and shall not be considered part of the employee's base salary.	
	Rating	Effectiveness Stipend
	Ineffective	0
	Effective: Emerging	\$200
	Effective: Proficient	\$400
Highly Effective	\$500	
3. Experience	Salary step advances of \$500 (as included in salary schedules) will be automatic on July 1 if an individual is rated in the performance evaluation program as	
	○ Effective: Emerging,	
	○ Effective: Proficient, or	
	○ Highly Effective; and	
	○ If they serve at one-half of a normal employment year	
	Note: No employee who is rated "ineffective" shall receive a higher salary than the salary received in the year of the evaluation.	
4. Demand - Advanced Degree	An increase to the base salary ranging from \$1000-\$2000 for advanced degrees (as included in salary schedules) in the content area of which the teacher is certified and teaching or for advanced degrees in Educational Administration will be awarded at the beginning of the school year following the date an employee obtains proof of such degree and consent from the Superintendent.	
6. Implementation	Implementation of this salary schedule will occur in fiscal year 2022-2023 with the understanding that the amount of the annual base salary paid to an employee in any school year shall not be reduced below the amount of such base paid during the previous school year, nor shall the amount of the annual base salary paid to such school personnel be reduced at any time during an academic year. The limitation on the reduction shall not be applicable to:	
	○ The correction of any accounting errors or to a reduction necessitated by the elimination of a state program or state funding.	
	○ The reduction of any local salary supplement funded, in whole or in part, from a revenue source requiring voter approval when such voter approval has not been obtained.	
	○ When a person is promoted to a position of higher salary and is demoted in accordance with applicable law and local board policy to a lower position. In such a case, the employee shall return to the salary previously received in the lower position from which he was promoted.	
	<u>Salary step placement for those affected by prior salary schedule will be adjusted to ensure that employees are paid for degree and experience.</u>	
7. Steps	Steps may not equal years of experience because of the conditions related to the passage of ACT 1 and previous placement.	
8. New Hires	The Superintendent is authorized to negotiate all salaries with teachers upon entering the district for the first time. Consideration shall be given to experience, demand, and performance evaluations. All teachers with no prior experience will begin at the district's beginning teacher salary.
