## Parent Waiver

I, \_\_\_\_\_ understand that my child has been given an email account by the Zachary Community School District. This account is provided and supports the Children's Online Privacy Protection Act (COPPA) and the Children's Internet Protection Act (CIPA). I understand that the district has determined what features my child has access to, which may include email, homework drop boxes, message boards, chat rooms, blogs, and digital storage lockers. I understand that all email messages and postings will be automatically filtered for inappropriate words and images, and that any messages determined to be questionable will be diverted to my student's email administrator for review. Consequences for misuse of email will be determined by the district, and may include restrictions, loss of privileges, or other disciplinary action. I further understand that my student's administrator can view my student's email account and digital locker at any time. While the district uses a variety of measures to protect its users, no system will stop 100% of inappropriate content. The district accepts no responsibility for harm caused directly or indirectly by its use.

By signing this agreement, I and my son/daughter agree to use the provided email account in an appropriate manner and abide by the district's policies for use.

Students and Parents,

I hope this letter finds you well and filled with excitement for the upcoming school year. As the Superintendent of Schools, it is my great pleasure to welcome you all to another year of educational excellence and growth. At Zachary Community Schools, we firmly believe in educating the whole child, fostering their intellectual, social, emotional, and physical development. We understand that education is not solely about academic achievement, but also about preparing our students to become well-rounded individuals who are equipped to thrive in the ever-evolving world around them.

Our commitment to educating the whole child is deeply ingrained in every aspect of our district's mission and vision. One of the pillars that supports our commitment to holistic education is the cultivation of good behavior and character. We believe that good behavior is the foundation upon which successful learning and positive relationships are built. Through the development of strong values, such as respect, responsibility, empathy, and integrity, we strive to instill in our students the essential skills and qualities that will serve them throughout their lives. We will continue to work closely with our staff and parents to create a safe and nurturing environment that encourages students to demonstrate good behavior and make responsible choices.

Because of the collective efforts of our students and staff, the Zachary Community School District continues to shine as a high-performing district within our state. This achievement is a testament to the unwavering dedication and hard work of both our exceptional staff and students. We believe that excellence is not an end goal but a constant journey, and we are committed to maintaining our high standards while continuously seeking opportunities for growth and improvement.

As we embark on this new academic year together, I invite you all to actively participate in our shared mission of providing the best possible education for our students. Our district thrives on collaboration with and engagement of families, students, and staff alike. By working together as a community, we can ensure that each student receives the support, guidance, and resources necessary to achieve their highest potential.

This handbook is intended to inform you of the rules, regulations, responsibilities, and expectations we have for our students. If we can be of any assistance to you this school year, please reach out to the school or district administrative teams. On behalf of our teachers, staff, administrators, and the School Board, I wish you a successful and enjoyable school year.

Together in Education,

Ben Necaie, Superintendent of Schools

## **TARDINESS**

A student shall be considered tardy to class if the student is not in the classroom when the bell to begin class ceases. A student shall be considered tardy to school if the student is not in his/her homeroom/first period class when the bell to begin homeroom/class ceases. Tardy shall also mean leaving or checking out of school unexcused prior to the regularly scheduled dismissal. Habitual tardiness on the part of students shall not be tolerated.

Students who exhibit habitual tardiness shall be subject to disciplinary action, appropriate under the circumstances.

## **REPORTING ABSENCES**

The attendance of all school students shall be checked each school day and at the beginning of each class period and shall be verified by the teacher keeping such record, which shall be open to inspection by the Supervisor of Child Welfare and Attendance or duly authorized representative at all reasonable times.

Students shall remain on the campus at all times unless granted permission to be off-campus or be subject to disciplinary action. Violations of attendance laws and regulations may lead to suspension and/or expulsion from school.

School personnel shall be expected to make every reasonable effort to assist a child who is habitually absent or tardy. A student shall be considered habitually absent or habitually tardy when either condition continues to exist after all reasonable efforts by any school personnel, truant officer, or other law enforcement personnel have failed to correct the condition after the fifth (5th) unexcused absence or fifth (5th) unexcused occurrence of being tardy within any school semester. Any student who is a juvenile and who is considered habitually absent from school or habitually tardy shall be reported by visiting teachers and

Supervisors of Child Welfare and Attendance to the family or juvenile court of the parish or city as a truant child.

*Tardy*, for the purpose of notification, shall include, but not be limited to being late to school, or leaving or checking out of school unexcused prior to the regularly scheduled dismissal time at the end of the school day. However, it shall not include reporting late to class when transferring from one class to another during the school day.

## **GUARDIAN RESPONSIBLE**

The parent or legal guardian of any student in grades kindergarten (K) through eighth (8th) who is considered habitually absent or habitually tardy shall be referred to the Zachary City Prosecutor and Zachary City Court.

The conference may be held in person, by telephone, or virtually. The school shall document such contact and forward the documentation to the Supervisor of School and Home Relations.
- Upon the student's eighth unexcused absence or unexcused occurrence of being tardy, the parent or guardian will be emailed a copy of the student's attendance report with next steps outlined should absences continue to accumulate.
- Upon the student's eleventh unexcused absence or unexcused

occurrence of being tardy, the Supervisor of School and Home Relations shall refer the parent or guardian to the Zachary City Court.

## **SCHOOL AND STUDENT SAFETY - THREATS**

*Risk is imminent* means that the available facts, when viewed in light of surrounding circumstances, would cause a reasonable person to believe that the event stated in the threat is about to happen.

*Threat is credible* means that the available facts, when viewed in light of surrounding circumstances, would cause a reasonable person to believe that the person communicating the threat actually intends to carry out the threat.

*Threat of terrorism* means communication, whether oral, visual, or written, including but not limited to electronic mail, letters, notes, social media posts, text messages, blogs, or posts on any social networking website, of any crime of violence that would reasonably cause any student, teacher, principal, or school employee to be in sustained fear for his safety, cause the evacuation of a building, or cause other serious disruption to the operation of a school.

*Threat of violence* means communication, whether oral, visual, or written, including but not limited to electronic mail, letters, notes, social media posts, text messages, blogs, or posts on any social networking website, of any intent to kill, maim, or cause great bodily harm to a student, teacher, principal, or school employee on school property or at any school function.

## **MANDATORY REPORTING**

Any administrator, teacher, counselor, bus operator, or other school employee, whether full-time or part-time, who learns of a threat of violence or threat of terrorism, whether through oral communication, written communication, or electronic

communication, shall immediately report the threat to a local law enforcement agency (School SRO) and (if the employee is not the school administrator) to the school administrator.

Upon being informed of the threat, the school administrator shall make reasonable efforts to attempt to inform all persons who are targets of the threat and shall take all necessary measures to protect their lives and safety.

The school administrator shall next make reasonable efforts to attempt to notify appropriate personnel within the school district administration.

The school administrator and the school district administrator then shall determine if the risk is imminent for any other persons because of the threat, and if so, notify them and make reasonable efforts to attempt to take measures to protect their lives and safety. The school administrator and the school district administrator then shall determine whether to notify parents of the students at the school.

No person shall have a cause of action against any person for any action taken or statement made in adherence with the requirement for reporting as provided herein. However, the immunity from liability provided in this policy shall not apply to any action or statement if the action or statement was maliciously, willfully, and deliberately intended to cause harm to, harass, or otherwise deceive law enforcement or school officials.

## **REPORTING**

A standardized form is to be used by students and school personnel to report potential threats. The form may be accessed at [https://zacharyschools.org/Forms/Departments/Operations/Safety\\_and\\_Risk\\_Management/ZCSBPotentialThreatReportingFormA.pdf](https://zacharyschools.org/Forms/Departments/Operations/Safety_and_Risk_Management/ZCSBPotentialThreatReportingFormA.pdf)

Students may also report school safety threats and/or concerns using the Safe Schools Louisiana Tip Line at

<https://www.p3campus.com/tipform.aspx?ID=5010&CX=e400e5>

For every threat reported, a school administrator shall record the action taken by the school. If information reported to a school is deemed a threat to school safety, the school shall present the form and evidence to local law enforcement agencies. If the information poses an immediate threat, school administrators shall follow procedures provided in the school's Crisis Management and Response Plan.

## **INVESTIGATION**

When any threat of violence or terrorism has been reported to a school administrator, an investigation shall be made according to administrative procedures which shall include, at a minimum:

- Conducting an interview with the person reporting a threat, the person allegedly making a threat, and all witnesses, and;
- Securing any evidence, including but not limited to statements, writings, recordings, electronic messages, and photographs.

If the investigation results in evidence or information that raises a concern that a threat is credible, the school and school district shall implement measures to provide for ongoing protection of the safety and lives of all students and staff at the school.

Law enforcement receiving notification of an alleged threat of violence or terrorism shall immediately begin an investigation. Law enforcement may report its findings to the district attorney or city prosecutor based on the investigation.

Where the district attorney, in his/her discretion, decides not to file the petition or does not file such petition during the requisite period, the student who is the subject of a complaint and investigation shall be permitted to return to school unless the student is charged with assault on a teacher or battery on a teacher. The school shall permit a student who is the subject of a complaint and investigation to return to school if at any point prior to a hearing the threat is determined not to be credible after an investigation by the school administration, a law enforcement agency, or the district attorney or by order of the court after a hearing school unless the student is charged with assault on a teacher or battery on a teacher.

The school administrator shall notify any person who was a target of the threat at least two school days prior to the student's return. The school administrator or his designee may conduct a search of the student or his property for weapons upon the student's return. If the person who is reported to a local law enforcement agency is not a student, he or she shall not be permitted to be within five hundred feet (500') of any school until he or she has undergone a formal medical or mental health evaluation and has been deemed by a healthcare professional not to be dangerous to himself/herself or others.

After such determination, the person shall not be permitted in a school unless he has notified the school administrator of his intent to visit the school and he is notified that the administrator has

provided at least two school days’ notice regarding the visit to anyone in the school who was directly threatened by the person. The school administrator may deny such person the right to visit the school.

| Students have a right to a safe and orderly environment. Uniforms have been shown to result in a safe and orderly environment for learning. The Zachary Community School Board has adopted a policy that requires all students shall wear mandatory uniforms. | All students have a responsibility to dress and appear on school campuses according to standards of propriety, safety and health set forth by the Zachary Community School Board and the School Improvement Team. |

The School Improvement Team will, after consultation with the populations they represent, recommend to the principal a suggested dress and grooming code in order that the principal may make informed decisions regarding the dress and grooming code for the school. The principal will make his/her decision in accordance with the constitution and laws of the United States of America and the state of Louisiana. The dress and grooming policy shall be posted at each school, and a copy sent home to each parent. Please refer to the School Handbooks for more detailed dress code information.

Student dress and grooming are not to adversely affect the students' participation in classes, school programs, other school related activities or detract from the learning environment of the school. Extremes in style and fit in student dress and extremes in style of grooming will not be permitted. Administrators are authorized to use their discretion in determining extremes in styles of dress and grooming and what is appropriate and suitable for school wear. No student shall wear, possess, use, distribute, display or sell any clothing, jewelry, emblem, blade, symbols, sign or other things which are evidence of affiliation with drugs, alcohol, violence or gang related activities or exhibits profane or obscene language/gestures. Policies regarding dress and grooming stress the importance of reducing distractions that inhibit learning and are addressed as an attempt to enhance the learning environment.

Discipline shall be administered uniformly, consistently, and in a nondiscriminatory manner, in accordance with the School Board's *Student Code of Conduct*.

Principals shall have both the authority and the duty to take disciplinary action whenever the behavior of any student(s) materially interferes with or substantially disrupts the maintenance of a proper atmosphere for learning within the classroom or other parts of the school. However, no student shall be disciplined in any manner by the School Board or school administrator, teacher, or other school employee for the use of force upon another person when it can be reasonably concluded that the use of such force more probably than not was committed solely for the purpose of preventing a forcible offense against the student or a forcible offense provided that the force used shall be reasonable and apparently necessary to prevent such offense. A student who is the aggressor or who brings on a difficulty cannot claim the right stated above to defend himself/herself.

Each teacher may take disciplinary action to correct a student who violates school rules—or who interferes with an orderly education process. Disciplinary action by a school employee may include, but is not limited to:

1. Oral or written reprimands.
2. Referral for a counseling session which shall include but shall not be limited to conflict resolution, social responsibility, family responsibility, peer mediation, and stress management.
3. Written notification of parents of disruptive or unacceptable behavior, a copy of which shall be provided to the principal.

4. Other disciplinary measures approved by the principal and faculty of the school and in compliance with School Board policy.

### **STUDENT REMOVAL FROM CLASSROOM**

When a student's behavior prevents the orderly instruction of other students, poses an immediate threat to the safety of students or the teacher, or when a student violates the school's code of conduct the teacher shall have the student immediately removed from his/her classroom and placed in custody of the principal or his/her designee.

Any student removed from class in kindergarten through grade five shall not be permitted to return to class for at least thirty (30) minutes unless agreed to by the teacher initiating the disciplinary action. A student removed from class in grades six through twelve shall not be permitted to return to class during the same class period, unless agreed to by the teacher initiating the disciplinary action.

Whenever a teacher is struck by a student, the student, in addition to any other discipline given, shall be permanently removed from the teacher's classroom, unless the teacher objects, or unless the principal, with the concurrence of the building level committee, finds the striking incident to be entirely inadvertent.

Upon the student being removed from class and sent to the principal's office, the principal or designee shall advise the student of the particular misconduct of which he is accused as well as the basis for such accusation, and the student shall be given an opportunity at that time to explain his/her version of the facts. The principal or his/her designee then shall conduct a counseling session with the student as may be appropriate to establish a course of action, consistent with School Board policy to identify and correct the behavior for which the student is being disciplined.

Once removed, the student shall not be readmitted to the classroom until the principal has implemented at least one of the following disciplinary measures:

1. Conferencing with the principal or his/her designee.
2. Referral to counseling.
3. Peer mediation.

4. Referral to the school building level committee.
5. Restorative justice practices.
6. Loss of privileges
7. Detention
8. In-school suspension
9. Out-of-school suspension
10. Initiation of expulsion hearings
11. Referral for assignment to an alternative setting
12. Requiring the completion of all assigned schoolwork and homework that would have been assigned and completed by the student during the period of out-of-school suspension.
13. Any other disciplinary measure authorized by the principal with the concurrence of the teacher or building level committee.

### **Parental Notification**

The principal or his/her designee shall provide oral or written notification to the parent or legal guardian of any student removed from the classroom. Such notification shall include a description of any disciplinary action taken.

When a student has been removed from a classroom, the teacher or the principal or his/her designee may require the parent, or legal guardian of the student to have a conference with the teacher or the principal or his/her designee before the student is readmitted. Such conference may be in person or by telephone or other virtual means.

Upon the student's *third* removal from the same classroom, the teacher and principal shall discuss the disruptive behavior patterns of the student and the potentially appropriate disciplinary measure before the principal implements a disciplinary measure. In addition, a conference between the teacher or other appropriate school employee and the student's parent, or legal guardian is required prior to the student being readmitted to that same classroom. Such conference may be in person or by telephone or other virtual means. If such conference is required by the school, the school shall give written notice to the parent. For students who experience multiple behavioral incidents or disciplinary referrals, a principal or his designee shall consider a referral of the matter to an appropriate school building level committee. If the disruptive behavior persists, the teacher may request that the principal transfer the student into another setting.

## **STUDENT MISCONDUCT AT END OF YEAR**

Any non-graduating student who commits offenses during the last ten (10) days of the school year which carry recommendations for suspension or expulsion beyond the end of the school year shall have such recommendation extended into the next school year.

Any graduating senior who commits a serious major or criminal infraction after the last regular class period as upheld by the Superintendent or his/her designee shall be excluded from year-end activities, including graduation exercises. Diplomas may be given or mailed to the student after the close of the school year. Seniors shall be made aware of this policy prior to the final exam period and a notice of the policy shall be mailed to parents from the school.

## **DISCIPLINE OF STUDENTS WITH DISABILITIES OR EXCEPTIONALITIES**

Discipline of students with disabilities or exceptionalities, or an Individualized Education Program or Section 504 Individualized Accommodation Plan, shall be to the extent allowed by applicable state or federal law and regulations or the provisions of the student's specific plan.

## **DISCIPLINE OF STUDENTS ENGAGED IN VIRTUAL INSTRUCTION**

In response to the COVID-19 pandemic, the Zachary Community School District has made virtual classes available to students. Students may also be required to attend school virtually when schools are closed due to inclement weather or other unanticipated emergencies. The Zachary Community School Board adopts this *Virtual Discipline* policy in order to clarify expectations for student conduct in the virtual classroom and to provide notice of the possible consequences of inappropriate conduct in the virtual classroom.

Regardless of the model of instruction, student conduct is governed at all times by La. Rev. Stat. Ann §17:416 and the *Student Code of Conduct*. Conduct that is unacceptable in the physical classroom is, under most circumstances, equally unacceptable in the virtual classroom. While students and parents normally have an expectation of privacy in their home, conduct that occurs in front of a camera and in view of peers and

teachers in the virtual classroom may subject students to disciplinary action.

The context in which student behavior occurs is important, however, and will be taken into consideration by School and District administrators in determining whether there has been a violation of the *Code of Conduct*, the severity of the infraction, and the appropriate penalty, if any, under the circumstances.

### **Privacy and the Virtual Classroom**

Students and parents, typically, have a reasonable expectation of privacy with regard to what takes place in their home ***outside of the view of teachers and peers in the virtual classroom***. In order to ensure that students and teachers are able to work and learn in a safe and orderly virtual environment, it is imperative that students have a quiet, well-lit “classroom” space – free, to the extent possible, from toys, images, messages, personal property, or other items that may distract from teaching and learning or that may subject the student to disciplinary action if possessed on school busses, in the regular classroom, or on school property. Students should be cautioned that the virtual classroom is for instruction and for engaging with peers and teachers for educational purposes. Students must not handle or display items, toys, messages, images, or personal property or engage in conduct unrelated to the lessons taking place. Political signs, banners, posters, etc., unrelated to the lesson, should not be displayed. Students who engage in conduct in the virtual classroom that violates the *Student Code of Conduct* and this *Virtual Discipline* policy may be subject to discipline in accordance with the *Student Code of Conduct* and this policy. School and/or district officials may be required, as mandatory reporters, to alert local law enforcement and/or the Department of Children and Family Services if they observe conduct, messages, images, or objects that raise legitimate concern for the safety and well-being of students in the virtual classroom. This may include students handling weapons in the virtual classroom, even if it is subsequently learned that the weapon is a toy or facsimile, as it is not always possible to determine remotely whether the weapon is real or not.

## **Conduct in the Virtual Classroom**

Students are responsible for all content posted through their online account. Students are prohibited from sharing their online account username or password or using the username or password of another student.

Following is a ***non-exclusive*** list of behaviors that are prohibited in the virtual classroom and that may result in disciplinary action in accordance with the *Student Code of Conduct* and this policy:

- Antagonistic, harassing, or discriminatory language of any kind with regard to race, color, religion, sex, gender, intelligence, age, orientation, disability, socioeconomic status or any other legally protected characteristic or activity
- Disrespect for Authority
- Bullying and/or cyberbullying
- Use of obscene, degrading or profane language (written, verbal, pictures, drawings, audio, video)
- Displaying pornography, nudity or images of nudity
- Committing lewd or sexual acts
- Handling or displaying weapons, including toy or facsimile weapons\*
- Any criminal or other illegal activity encouraging the unlawful use, possession, manufacture or distribution of tobacco, drugs or alcohol\*
- Illegal posting, distribution, upload or download of copyrighted work of any kind
- Sharing assignments, questions/answers, or any other action that would violate any expectations or rules relative to academic honesty
- Posting personally identifiable information in any format other than via private message
- Indecent dress or disrobing
- Interference with the instructional audio or video
- Use or display of illegal drugs, alcohol, tobacco or tobacco products, or vaping devices\*
- Violations of the Board's/School's *Acceptable Use Policy* or *Device Contract*

## **Consequences of Inappropriate Online Conduct**

Parents and students must be aware that conduct that is unacceptable and disruptive in the regular classroom

environment is, typically, unacceptable in the virtual classroom. The School Board recognizes, however, that virtual learning is a new experience for students and families, and that the context in which student conduct occurs must be taken into account in determining the appropriate penalty, if any, imposed for violations of the Student Code of Conduct in the virtual classroom.

Student conduct that occurs in the virtual classroom may be subject to progressive discipline which, *depending on the seriousness of the conduct at issue*, will include an initial verbal warning and consultation with the student's parent or guardian prior to any formal disciplinary action. The seriousness of the conduct at issue will dictate the actions of administrators and the nature of the penalty ultimately imposed. For example, a student may be subject to a severe penalty, even for a first offense, depending on the seriousness of the conduct at issue.

Some factors that administrators will take into account in determining the penalty to be imposed, if any, for conduct that occurs in the virtual classroom will include:

- Age of the student
- Whether the conduct disrupted learning in the virtual classroom
- Whether the conduct was violent or threatening in any way
- Whether the conduct was illegal
- Whether the conduct interfered with the rights of teachers and/or students to work and learn in a safe and orderly environment free from inappropriate images, messages, language or behavior
- Whether the student has committed prohibited conduct in the past
- Whether the student has received prior warnings or discipline for similar conduct

\*Conduct in the virtual classroom related to the display or handling of weapons or drugs, or other conduct that raises legitimate concerns about the safety and welfare of a student, must be reported immediately to the School Principal and/or School Resource Officer in order to assess whether the matter must be reported to local law enforcement and/or the Department of Children and Family Services.

### **ZERO TOLERANCE FOR FIGHTING POLICY**

- Students involved in a fight at school will be subject to suspension or expulsion as stated in this handbook.

- Pushing and shoving are not considered fighting, but once a punch is thrown, a “fight” has occurred.
- Since pushing and shoving lead to fighting and are violations of school policy, the student will be subject to suspension or expulsion as stated in this handbook.
- Non-aggressive self-defense allows the student to defend himself against an attack, but only to the point where the attacker backs off.
- Students who are suspended for fighting will be required to undergo counseling before being readmitted to school.
- Counseling will include anger management and conflict resolution. It will be provided and supervised by the Zachary Community School Board. Parents or guardians will be advised and encouraged to participate.
- This Zero Tolerance for Fighting Policy is in effect from the time the student leaves home for school until the time the student returns home from school. It is also in effect during all school-related activities. It is your responsibility to alert a principal, teacher, coach, etc. to any hostile attempt directed to you. Administrators are then required to take immediate action to prevent further hostile attempts.

## **SUSPENSION**

Prior to any out-of-school suspension or assignment to alternative placement, the school principal or his/her designee shall advise the student of the particular misconduct of which he/she is accused as well as the basis for such accusation, and the student shall be given an opportunity at that time to explain his/her version of the facts. The principal/designee shall contact the parent or legal guardian of the student to notify them of the suspension, and establish a date and time for a conference with the principal or designee as a requirement for readmitting the student. *Notice* shall be given by contacting the parent or legal guardian by telephone at the telephone number shown on the student's registration card, or by electronic communication or by a certified letter sent to the address shown on the student's registration card. The principal shall promptly advise the Superintendent or designee of all such suspensions, stating the reasons for the suspensions.

A student who is suspended for longer than ten (10) days shall

be provided with academic instruction at an alternative setting.

No suspended student shall be allowed to leave the school premises during the school day until the parent, guardian, or other proper authorities assume responsibility for him/her, unless immediate removal from school due to danger or threat of disruption to academic process is warranted.

When a student is suspended for a second time within one school year, the principal may require a counseling session be held with the parent and student by the school counselor. In the event there is no school counselor assigned to that school, the principal may require a conference between the parent, student and all the student's teachers and the principal or other administrator.

After any second suspension of a student during the same school year, the principal or his/her designee and the employee designated by the principal to identify behavioral and mental health support services available shall consult on whether the student's behavior could be attributable to behavioral or emotional challenges. If it is determined that the behavior is attributable to behavioral or emotional challenges and rises to the level that supportive services could be beneficial, the principal or his/her designee and the employee designated for mental and behavioral health assistance shall schedule a conference with the student's parent or legal guardian to discuss the student's behavior and counseling as well as the referral of the student and family to support services or assessment and treatment.

**Notwithstanding any public school state or local policies, a student in grades six through twelve who is suspended a third time within the same school year for any offense, excluding those related to dress codes or tardiness, shall be recommended for expulsion.**

Any student in grades pre-kindergarten through five, *after being suspended on three (3) occasions* for committing drugs or weapons offenses during the same school year, **shall upon committing the fourth offense**, be expelled from all the public schools of the system until the beginning of the next regular school year, and the student's reinstatement shall be subject to the review and approval of the School Board.

A student suspended for damages to any property belonging to the school system or to property contracted to the school system

or any property on school grounds owned by a school employee or student shall not be readmitted until payment in full has been made for such damage, an alternative restitution arrangement has been executed, an alternative payment plan has been arranged, or until directed by the Superintendent. If the property damaged is a school bus owned by, contracted to, or jointly owned by any school board, a student suspended for such damage shall not be permitted to enter or ride any school bus until payment in full has been made for the damage, an alternative restitution arrangement has been executed, an alternative payment plan has been arranged, or until directed by the Superintendent.

Upon the seizure by any teacher, principal, school security guard, or other school administrator of any firearm, knife, or other dangerous implement which could be used as a weapon or inflict injury, the principal or his or her designee shall be required to report the confiscation to appropriate law enforcement officials.

## **APPEALS**

Any parent, or legal guardian of a student suspended shall have the right to appeal to the Superintendent or his/her designee, who shall conduct a hearing on the merits. If the parent or legal guardian is not present for the hearing after having been properly notified, the hearing may proceed and the results of the hearing shall be mailed to the parent or legal guardian within three (3) school days by certified mail, return receipt requested. The decision of the Superintendent on the merits of the case, as well as the term of the out-of-school suspension, shall be final, reserving to the Superintendent the right to remit any portion of the time of out-of-school suspension.

Notwithstanding the foregoing, the parent or legal guardian of a student who has been recommended for expulsion but suspended instead following a hearing conducted by the Superintendent or his/her designee shall have the right to request review by the School Board of the findings of the Superintendent or designee at a time set by the School Board. Such request must be made within five (5) days after the decision is rendered, or the decision of the Superintendent or designee shall be final. The

School Board may affirm, modify, or reverse the action previously taken.

The parent or legal guardian of the student may, within ten (10) school days, appeal to the judicial district court an adverse ruling of the School Board in upholding the action of the Superintendent or designee. The court may reverse or revise the ruling of the School Board upon a finding that the ruling of the School Board was based on an absence of any relevant evidence in support thereof.

### **MANDATORY SUSPENSION**

#### **Firearms, Knives, Other Dangerous Instrumentalities, Drugs**

The principal or his/her designee shall be required to suspend a student who:

1. is found carrying or possessing a firearm or a knife with a blade two and one-half (2 ½) inches or longer, or another dangerous instrumentality, except as provided below under the section entitled *Suspension Not Applicable*; or
2. possesses, distributes, sells, gives, or loans any controlled dangerous substance governed by state law, in any form.

Additionally, the principal or his/her designee shall immediately recommend the student's expulsion to the Superintendent, for the above offenses for students in grades six through twelve.-

A student found carrying or possessing a knife with a blade less than two and one half (2 ½) inches in length may be suspended by the school principal, but, in appropriate cases, at a minimum, shall be placed in *in-school suspension*.

### **Assault or Battery of School Employees**

Whenever a student is formally accused of violating state law or school disciplinary regulations, or both, by committing assault or battery on any school employee, the principal shall suspend the student from school immediately and the student shall be removed immediately from the school premises without the benefit of required out-of-school suspension procedures; however, the necessary notifications and other procedures shall

be implemented as soon as practicable. The student shall not be readmitted to the school to which the employee is assigned until all hearings and appeals associated with the alleged violation have been exhausted.

### **SUSPENSION NOT APPLICABLE**

Suspension of a student shall not apply to the following:

1. A student carrying or possessing a firearm or knife for purposes of involvement in a school class, course, or school-approved cocurricular or extracurricular activity or any other activity approved by appropriate school officials.
2. A student possessing any controlled dangerous substance that has been obtained directly or due to a valid prescription or order from a licensed medical provider. However, the student shall carry evidence of the prescription or medical provider's order on his/her person at all times when in possession of any controlled dangerous substance which shall be subject to verification. Evidence of the prescription or medical provider's order includes possession of the controlled dangerous substance in its original packaging as received from the pharmacy.  
In addition, school officials, in accordance with statutory provisions, shall have total discretion and shall exercise such discretion in imposing on a student any disciplinary actions authorized by state law for possession by a student of a firearm or knife on school property when such firearm or knife is stored in a motor vehicle and there is no evidence of the student's intent to use the firearm or knife in a criminal manner.

### **DRESS CODE VIOLATIONS**

A student enrolled in grades prekindergarten through five shall not be suspended from school or suspended from riding on any school bus for a uniform violation that is not tied to willful disregard of school policies.

### **CREDIT FOR SCHOOL WORK MISSED**

A student who is suspended for ten (10) days or fewer shall be assigned school work missed while he/she is suspended and shall receive the same credit originally available for such work,

upon the recommendation of the student's teacher, if it is completed satisfactorily and timely as determined by the principal or his/her designee.

### **SUSPENSION OF STUDENTS WITH DISABILITIES OR EXCEPTIONALITIES**

Suspension of students with disabilities or exceptionalities, or an Individualized Education Program, or Section 504 Individualized Accommodation Plan shall be to the extent allowed by applicable state or federal law and regulations or the provisions of the student's specific plan.

### **EXPULSION**

The Zachary Community School Board may expel a student from school if an offense committed by the student is serious enough to warrant such action or is in violation of state law or the School Board's code of conduct. Prior to any expulsion the school principal or his/her designee shall advise the student of the particular misconduct of which he/she is accused as well as the basis for such accusation, and the student shall be given an opportunity at that time to explain his/her version of the facts. The principal/designee shall contact the parent or legal guardian of the student to notify them of the expulsion recommendation. Notice shall be given by contacting the parent or legal guardian by telephone at the telephone number shown on the student's registration card, or by electronic communication and additionally by a certified letter sent to the address shown on the student's registration card. If the parent or legal guardian fails to attend the required conference within five (5) school days of notification, the truancy laws shall be effective.

Upon the recommendation for expulsion of a student by the principal a hearing shall be conducted by the Superintendent or his/her designee within fifteen (15) school days to determine the facts of the case and make a finding of whether or not the student is guilty of conduct warranting a recommendation of expulsion. The School Board shall provide written notice of the hearing to the student and his/her parent or legal guardian, and the notice shall advise the student and his/her parent or legal guardian of their rights. Notification of the time, date, and place of the expulsion hearing shall be mailed to the parents. Following the

hearing, the Superintendent or his/her designee shall notify the parents of the decision rendered.

Until the hearing, the student shall remain suspended with access to classwork and the opportunity to earn academic credit. A student who is suspended for longer than ten (10) days or expelled shall be provided with academic instruction at an alternative setting.

Upon the conclusion of the hearing and upon finding the student guilty of conduct warranting expulsion, the Superintendent shall determine whether such student shall be expelled and the specified period of expulsion, or if other disciplinary action shall be taken. Unless otherwise stipulated by state statutes, the period of expulsion shall not be less than one school semester and may carry over into the next school year, if necessary. During an expulsion, the Superintendent shall place the student in an alternative school or in an alternative educational placement.

## **APPEALS**

The parent or legal guardian of the student who has been recommended for expulsion in accordance with state law may, within five (5) days after the decision to expel has been rendered, submit a request to the School Board to review the findings of the Superintendent or designee at a time set by the School Board; otherwise, the decision of the Superintendent shall be final. If requested, as herein provided, and after reviewing the findings of the Superintendent or his/her designee, the School Board may affirm, modify, or reverse the action previously taken. The parent or legal guardian of the student shall have such right of review even if the recommendation is reduced to a suspension.

The parent or legal guardian of the student who has been recommended for expulsion in accordance with state law may, within ten (10) school days, appeal to the district court for the parish in which the student's school is located, an adverse ruling of the School Board in upholding the action of the Superintendent or his/her designee. The court may reverse or revise the ruling of the School Board upon a finding that the ruling of the School Board was based on an absence of any relevant evidence in support thereof. The parent or legal guardian of the student shall have such right to appeal to the district court even if the recommendation for expulsion is reduced to a suspension.

## **FIREARMS, KNIVES, AND DRUGS**

Any student, in grades six (6) through twelve (12), who is found guilty of being in possession of a firearm, a knife with a blade equal to or in excess of two and one-half inches (2 ½ ") in length, or any illegal narcotic, drug, or other controlled substance on school property, on a school bus or at a school-sponsored event, pursuant to a hearing, shall be expelled from school for a minimum period of four (4) complete school semesters and shall be referred to the district attorney for appropriate action. However, the Superintendent, may modify the length of the minimum expulsion required on a case-by-case basis, provided such modification is in writing.

## **VIRTUAL INSTRUCTION**

The provisions related to mandatory recommendation for expulsion shall not be applied to virtual instruction received by a student in the student's home.

## **ADDITIONAL REASONS FOR EXPULSION**

1. Any student, after being suspended for committing violations of any discipline policies or other rule infractions, depending on the severity of the behavior, may be expelled upon recommendation to the Superintendent by the principal and after an appropriate hearing is held by the Superintendent or designee.
2. The principal may recommend expulsion to the Superintendent for any student in grades pre-kindergarten through five who is found carrying or possessing a knife with a blade which equals or exceeds two and one-half (2 ½) inches in length.
3. Notwithstanding any public school state or local policies, a student in grades six through twelve who is suspended a third time within the same school year for any offense, excluding those related to dress codes or tardiness, shall be recommended for expulsion.
4. Any student in pre-kindergarten through five, *after being suspended on three (3) occasions* for committing drugs or

weapons offenses during the same school year, **shall, upon committing the fourth offense**, be expelled from all the public schools of the system until the beginning of the next regular school year, and the student's reinstatement shall be subject to the review and approval of the School Board.

5. In accordance with federal regulations, a student determined to have brought a weapon to a school under the School Board's jurisdiction shall be expelled for a minimum of one calendar year. The Superintendent may modify the expulsion requirement on a case-by-case basis. A *weapon*, in accordance with federal statutes, means a firearm or any device which is designed to expel a projectile or any destructive device, which in turn means any explosive, incendiary or poison gas, bomb, grenade, rocket, missile, mine or similar device.
6. The conviction of any student of a felony or the incarceration of any student in a juvenile institution for an act which had it been committed by an adult, would have constituted a felony, may be cause for expulsion of the student for a period of time as determined by the School Board; such expulsions shall require the vote of ***two-thirds ⅔ of the elected members of the School Board***, shall not be for a period of time longer than the student's period of adjudication as determined by the applicable court presiding over the student's criminal matter, and shall run concurrent to the student's period of disposition. If the student was serving an expulsion period when the student was incarcerated for a separate offense and the student completes the period of incarceration with time left in the expulsion period, the Superintendent or his/her designee may require the student to serve the time left in the expulsion period.

### **EXPULSION NOT APPLICABLE**

Expulsion shall not apply to the following:

1. A student carrying or possessing a firearm or knife for purposes of involvement in a school class, course, or school approved cocurricular or extracurricular activity or any other activity approved by appropriate school officials.
2. A student possessing any controlled dangerous substance that has been obtained directly or due to a valid prescription or order

from a licensed medical provider. However, the student shall carry evidence of the prescription or medical provider's order on his/her person at all times when in possession of any controlled dangerous substance which shall be subject to verification. Evidence of the prescription or medical provider's order includes possession of the controlled dangerous substance in its original packaging as received from the pharmacy.

In addition, school officials, in accordance with statutory provisions, shall have total discretion and shall exercise such discretion in imposing on a student any disciplinary actions authorized by state law for possession by a student of a firearm or knife on school property when such firearm or knife is stored in a motor vehicle and there is no evidence of the student's intent to use the firearm or knife in a criminal manner.

### **DRESS CODE VIOLATIONS**

A student enrolled in grades prekindergarten through five shall not be expelled from school for a uniform violation that is not tied to willful disregard of school policies.

### **READMITTANCE FOLLOWING EXPULSION**

#### **Required Parent Conference**

In each case of expulsion, the school principal, or his or her designee, shall contact the parent or legal guardian of the student to notify them of the expulsion, and establish a date and time for a conference with the principal or designee as a requirement for readmitting the student. Notice shall be given by sending a certified letter to the address shown on the student's registration card. Also, additional notification may be made by contacting the parent or legal guardian by telephone at the telephone number shown on the student's registration card.

If the parent, or legal guardian fails to attend the required conference within five (5) school days of notification, the student may be considered a truant and dealt with according to all applicable statutory provisions. On not more than one occasion each school year when the parent or legal guardian refuses to respond, the principal may determine whether readmitting the student is in the best interest of the student. On any subsequent occasions in the same school year, the student shall not be readmitted unless the parent or legal guardian, court, or other

appointed representative responds.

In any case where a teacher, principal, or other school employee is authorized to require the parent or legal guardian of a student to attend a conference or meeting regarding the student's behavior and after notice, the parent or legal guardian willfully refuses to attend, the principal or his or her designee shall file a complaint, in accordance with statutory provisions, with a court exercising juvenile jurisdiction.

### **Readmittance After All Expulsions**

Any student expelled may be readmitted to school on a probationary basis at any time during the expulsion period on such terms and conditions as may be stipulated by the Superintendent. Readmission to school on a probationary basis shall be contingent on the student and legal guardian or custodian agreeing in writing to the conditions stipulated. Any such agreement shall contain a provision for immediate removal of the student from school premises and returned to the school system's alternative school setting without benefit of a hearing or other procedure upon the principal or Superintendent determining the student has violated any term or condition of the agreement. Immediately thereafter, the principal or designee shall provide proper notification in writing of the determination and reasons for removal to the Superintendent and the student's parent or legal guardian.

### **Readmittance After Expulsion for Firearms, Knives, Weapons, or Drugs**

In addition to the readmittance provisions for all expulsions stated above, a student that has been expelled for possessing on school property or on a bus, a firearm, knife, or other dangerous weapon, or possessing or possession with intent to distribute or distributing, selling, giving, or loaning while on school property or a school bus any controlled dangerous substance shall not be enrolled or readmitted to any regular public school of the school system on a probationary basis prior to the completion of the period of expulsion at the school system's alternative education setting until the student produces written documentation that he/she and his/her parent or legal guardian have enrolled and participated or is participating in an appropriate rehabilitation or

counseling program related to the reason(s) for the student's expulsion. The rehabilitation or counseling programs shall be provided by such programs approved by the juvenile or family court having jurisdiction, if applicable, or by the School Board. The requirement for enrollment and participation in a rehabilitation or counseling program shall be waived only upon a documented showing by the student that no appropriate program is available in the area or that the student cannot enroll or participate due to financial hardship.

### **Review of Records**

A student who has been expelled from any school in or out of state shall not be admitted to a school in the school system except upon the review and approval of the School Board following the request for admission. To facilitate the review and approval for readmittance, the student shall provide to the School Board information on the dates of any expulsions and the reasons therefor. Additionally, the transfer of student records to any school or system shall include information on the dates of any expulsions and the reasons therefor.

### **CREDIT FOR SCHOOL WORK MISSED**

A student who is expelled and receives educational services at an alternative school site shall be assigned work by a certified teacher and shall receive credit for schoolwork if it is completed satisfactorily and timely as determined by the teacher. Such work shall be aligned with the curriculum used at the school from which the student was expelled.

### **EXPULSION OF STUDENTS WITH DISABILITIES OR EXCEPTIONALITIES**

Expulsion of students with disabilities or exceptionalities, or an Individualized Education Program or Section 504 Individualized Accommodation Plan, shall be to the extent allowed by applicable state or federal law and regulations or the provisions of the student's specific plan.

### **ALTERNATIVE PROGRAMS**

### Alternative Academy

This alternative is designed for students expelled from the traditional school setting by the superintendent or his designee.

## **CORPORAL PUNISHMENT**

The Zachary Community School Board shall prohibit the use of corporal punishment by all of its employees. Nothing contained herein shall be interpreted as prohibiting an employee from using physical force, reasonable and appropriate under the circumstances, in defending himself/herself against a physical attack by a student or to restrain a student from attacking another student or employee, or to prevent acts of misconduct which are so anti-social or disruptive in nature as to shock the conscience.

### **DISCIPLINE PROCEDURES: REMOVAL FROM SCHOOL CAN BE ONE OF THREE TYPES:**

- Short-term suspension – two (2) to nine (9) days.

- Long-term suspension – ten (10) to eighty-nine (89) days. Pending a hearing where the school has recommended long-term suspension, students will be assigned to an alternative setting for the duration of the suspension. The decision of the hearing officer, who is the Superintendent's official designee, shall be final; therefore, there is no appeal process.

- Expulsion – denial of attendance in the traditional school setting. Unless otherwise stipulated by state statutes, the period of expulsion shall not be less than one school semester (90 Days) and may carry over into the next school year, if necessary. During an expulsion, the student shall be placed in an alternative setting.

Appeal: An appeal may be made, but must be in writing and addressed to the Zachary Community School Board and submitted to the Superintendent's office within 5 school days after the decision is rendered.

**WARNING: UPON THE THIRD SHORT-TERM SUSPENSION (WITH THE EXCEPTION OF SUSPENSIONS FOR DRESS CODE OR TARDINESS) THE STUDENT SHALL BE RECOMMENDED FOR EXPULSION FROM THE SCHOOL. DURING THE SUSPENSION/EXPULSION PERIOD, STUDENTS MAY NOT ATTEND ANY ZCSB EVENT OR BE ON ANY ZCSB PROPERTY UNLESS APPROVED BY THE SCHOOL ADMINISTRATOR. SENIORS WHO ARE EXPELLED FROM SCHOOL THROUGH THE REMAINDER OF THE SCHOOL YEAR WILL NOT BE ELIGIBLE TO PARTICIPATE IN THE GRADUATION CEREMONY.**

FOR EXCLUSIONS OF MORE THAN 10 CONSECUTIVE DAYS, OR WHEN PATTERN OF EXCLUSIONS HAS OCCURRED, OR UPON THE FOURTH EXCLUSION (SUSPENSION):

The student's Special Education teacher must notify the parent of a Discipline Individual Education Program (IEP) meeting. A Discipline Individual Education Program (IEP) meeting must be held to determine if the behavior is a manifestation of the student's disability. The IEP meeting must be appropriately constituted with the following persons: Officially Designated Representative (ODR) – the principal or assistant principal; the

student's Special Education teacher; at least one of the student's Regular Education teachers; the parent, the student, if appropriate; and, any additional persons with knowledge of the student and the disability. (Note: If the parent does not attend the scheduled manifestation determination review (MDR) meeting, the school will reschedule the MDR meeting it within (3) school days. If the parent does not attend the rescheduled MDR meeting, the school personnel shall meet without the parent.) If the behavior is a manifestation of the student's disability, the student will not be suspended nor expelled. If the behavior is NOT a manifestation of the student's disability, the student will follow procedures as a regular student. School personnel may order a change in placement of a student with a disability to an appropriate interim alternative educational setting for the same amount of time that a student without a disability would be subject to discipline, but for not more than 45 days, if the student carries a weapon to school or to a school function; or the student knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at school or a school function. A hearing officer (from a State approved list) may order a change in placement of a student with a disability to an appropriate interim alternative educational setting for not more than 45 days if that hearing officer, in an expedited due process hearing determines that the public agency has demonstrated by substantial evidence that maintaining the current placement of the student is substantially likely to result in injury to the student or to others.

### **EMERGENCY REMOVAL**

Emergency Removal is used only when the student exhibits a substantial danger to himself/herself or others. In no case can this removal last longer than nine (9) school days. During this nine-day period, school officials shall initiate a meeting to review the student's Individual Education Program (IEP), consider an interim placement, or invoke the aid of a State listed Hearing Officer or the courts to remove the allegedly dangerous student from school if they believe that maintaining the student in the current placement would be substantially likely to result in injury to the student or others.

(Act 328 of 2011) & Louisiana Bulletin 1706, Revised 2012

This document provides procedures/guidance for the use, reporting, documentation and oversight of seclusion and restraint in the Zachary Community School Board, following issuance of regulations by the Board of Elementary and Secondary Education (BESE), Louisiana Department of Education (LDE).

These procedures specifically address the statutory requirements of La.R.S. 17:416.21 (Louisiana Act 328 of 2011) and revised Louisiana Bulletin 1706 regarding the use of seclusion and restraint as emergency safety measures to control the actions of students with exceptionalities in Louisiana's public schools. For the purposes of this document, Zachary Community School Board may encompass policies adopted by the ZCSB; administrative procedures implemented by school administrators and school employees (as defined herein) and guided forms developed to assist school employees in carrying out their responsibilities under La.R.S. 17:416.21 (Act 328 of 2011) and applicable sections of Louisiana Bulletin 1706.

### SUPERINTENDENT'S DIRECTIVES PURSUANT TO SCHOOL BOARD POLICY

The Zachary Community School Board has approved the following guidelines and procedures relative to the use of seclusion and restraint by its employees:

### NOTIFICATION REQUIREMENTS FOR SCHOOL OFFICIALS AND PARENTS/LEGAL GUARDIANS

This "mandatory notification" will be via district prepared forms.

The parent or other legal guardian of a student who has been placed in seclusion or physically restrained shall be notified as soon as possible. The student's parent or other legal guardian shall also be notified in writing within twenty-four hours of each incident of seclusion or physical restraint. Such notice shall include the reason for such seclusion or physical restraint, the procedures used, the length of time of the student's seclusion or physical restraint, and the names and titles of any school employee involved.

The director or supervisor of special education shall be notified any time a student is placed in seclusion or is physically restrained.

A school employee who has placed a student in seclusion or who has physically restrained a student shall document and report each incident in accordance with the policies adopted by the school's governing authority. Such report shall be submitted to the school principal or designee not later than the school day immediately following the day on which the student was placed in seclusion or physically restrained and a copy shall be provided to the student's parent or legal guardian.

If a student is involved in five incidents in a single school year involving the use of physical restraint or seclusion, the student's Individualized Education Plan (IEP) team shall review and revise the student's behavior intervention plan to include any appropriate and necessary behavior supports.

The documentation compiled for a student who has been placed in seclusion or has been physically restrained and whose challenging behavior continues or escalates shall be reviewed at least once every three weeks.

## EXPLANATION OF METHODS OF PHYSICAL RESTRAINT

The Nonviolent Crisis Intervention program is designed for the Care, Welfare, Safety, and Security for all individuals affected by crisis—staff and student. The training program focuses on assisting staff in providing a safe environment with the goal of preventing the need for restrictive behavior management.

Crisis Prevention provides a detailed model of procedures for staff to utilize prior to an incident that requires the use of restraint or seclusion. The Nonviolent Crisis Intervention program addresses the key components necessary to properly review the events that occurred before, during, and after the incident. The Nonviolent Crisis Intervention focuses on verbal de-escalation strategies that are intended to defuse a situation from escalating to the point where restrictive behavior management interventions are required.

The Nonviolent Crisis Intervention training program teaches

participants that physical restraints should only be used when an individual is a threat to self or others. Nonviolent Crisis Intervention participants are taught by Certified Instructors to safely and effectively administer physical restraint as a form of restrictive behavior management intervention only when other, less restrictive forms of behavior management have been exhausted and when an individual is a danger to self or others.

## TRAINING REQUIREMENTS RELATIVE TO THE USE OF RESTRAINT

Training will be provided to school personnel or other individuals deemed necessary to address the use of seclusion and restraint techniques with students with disabilities.

Zachary Community School District uses the Crisis Prevention Institute Program (CPI) which is a Non-Violent Crisis Intervention (NVC). We also incorporate positive behavior support methods, de-escalation techniques and referral to mental health services intervention when needed.

Training will consist of a four (4) day instructor certification for those individuals who have been chosen to be trainers. There will be a two (2) day comprehensive workshop for those individuals who will be trained in "CPI", "NVC".

This staff will participate in continuous education training using CPI program at least annually.

Documentation of the certification and annual training will be maintained by Director of Student Support Services.

- Dissemination of guidelines and procedures to all school employees
- Guidelines and procedures will be provided to all school employees in the employee handbook.
- Dissemination of guidelines and procedures to every parent of a child with an exceptionality
- Guidelines and procedures will be provided to parents via the Zachary Community School District Student

Rights and Responsibilities Handbook as well as on-line web postings.

- Notification to the Louisiana Department of Education Principals will ensure maintenance of the Zachary Community School System incident report. This report will be submitted to the Director of Student Support Services yearly. The Director of Student Support Services will ensure the dissemination of this yearly report to the State Department of Education.

## **GRADUATION**

High school students must meet all course and attendance requirements and meet all LEAP 2025 assessment criteria prior to graduating. In addition, these students must meet the same criteria in order to participate in graduation exercises.

## **EQUAL EDUCATION OPPORTUNITIES**

Section 504 of the Rehabilitation Act of 1973 is a civil rights law that prohibits discrimination on the basis of a disability in any program receiving federal funds. Section 504 States that:

“No otherwise qualified individual with a disability in the United States shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.”

This law guarantees individuals with disabilities certain rights, including the right to a free appropriate public education (FAPE). Appropriate services are those designed to level the playing field and meet the needs of the students with disabilities to the same extent that the needs of students without disabilities have been met so that students with disabilities may enjoy full participation in educational opportunities.

This law is intended to provide individuals with disabilities equal

to pursue employment, educational, and recreational goals without discrimination.

Nothing shall prohibit the use and operation by any person, including students, of any electronic telecommunication device in the event of an emergency. *Emergency* shall mean an actual or imminent threat to public health or safety which may result in loss of life, injury, or property damage.

## **STUDENT SEXUAL HARASSMENT**

The Zachary Community School Board disapproves of and does not tolerate sexual harassment by employees to students, by students to employees, or by one student to another student which may occur on or off-campus during or after school hours, during or directly related to school-sponsored activities, or at a time and/or place directly related to school functions. No employee or student, either male or female, should be subject to unsolicited and unwelcome sexual overtures or conduct, either verbal or physical. Sexual harassment does not refer to occasional compliments of a socially acceptable nature. It refers to behavior that is not welcome, that is personally offensive, and therefore interferes with the purposes of the employee and/or student in the academic, extracurricular, and co-curricular atmosphere. Sexual harassment includes any type of sexually coercive or oppressive conduct, including, but not limited to, threats, comments, jokes or overtures of a sexual nature. Sexual harassment also includes *quid pro quo* claims which occur when an employee makes sexual advances toward a student which threaten or imply retaliation if the student resists, or rewards if the student acquiesces.

This policy applies to all employees and volunteers, to the elected members of the School Board, and to all students of the Zachary

Community School District. It applies at school, school sponsored events, and in situations which are related to the school or school functions.

### COMPLAINT PROCEDURE

Complaints of sexual harassment which take place at school or at a school related function or arising out of the school setting should be promptly made to the principal of the school. Should the claim of sexual harassment be brought against the principal of the school, the complaint should be brought directly to the Superintendent.

A report or complaint of an alleged violation of this policy shall be sufficiently clear and explicit so that it can be recognized as a legitimate report of sexual harassment or retaliation. This means that a report or complaint shall, at a minimum, include: (1) a description of an alleged act of sexual harassment or retaliatory conduct, including the date, time, and place it allegedly occurred; (2) identity of the alleged victim; (3) identity of the alleged harasser; and (4) identity of the reporting person.

After notification of the complaint, a confidential investigation shall immediately be initiated to gather all facts about the complaint.

After the investigation has been completed, a determination shall be made regarding the resolution of the case. If warranted, disciplinary action will be taken up to and including involuntary termination of an employee and/or expulsion of a student. Any disciplinary action regarding an employee will be placed in the employee's personnel file which shall reflect the action taken and the grounds therefor. Any disciplinary action taken in regard to a student shall be maintained as any other student disciplinary violation.

### SUSPECTED CHILD ABUSE

If the victim of the alleged sexual harassment is a minor student and if the alleged harassment falls within the definition of *abuse* as found in School Board policy [JGCE, Child Abuse](#), then all school

employees with knowledge shall be considered *mandatory reporters* and the allegations must be reported to child protection or law enforcement as provided by state law and School Board policy. Such reporting must be made in addition to any procedures for handling sexual harassment complaints.

### RETALIATION

Retaliation against any employee or student who brings sexual harassment charges or who assists in investigating such charges shall be prohibited. Any employee or student bringing a sexual harassment complaint or assisting in the investigation of such a Zachary Community School District complaint shall not be adversely affected, discriminated against or punished because of the complaint. Reports and complaints of such retaliation shall be handled in the same manner as those of sexual harassment.

### DISCIPLINE/CONSEQUENCES

1. Any student who is determined to have engaged in sexual harassment or retaliation against another individual in violation of this policy may be subject to disciplinary action, up to and including expulsion.
2. Any employee who is determined to have permitted, engaged in, or failed to report sexual harassment or retaliation in violation of this policy and the related procedures may be subject to disciplinary action, up to and including termination.

## REPORTS OF SUBSTANCE ABUSE

State law mandates that teachers and other school employees report suspected substance abuse in school. These cases shall be reported to the principal and the *Substance Abuse Prevention Team* in the school. The principal must report each case of possession, distributing, sales or manufacturing to the proper law enforcement authority. Reports shall also be made to the appropriate person at each school, who shall investigate, research, and report on instances or reports of possession of prohibited substances or beverages. Designated personnel shall report its findings along with the recommendation for treatment, counseling or other appropriate action to the principal.

## REFERRAL OF STUDENT REQUIRED

Any student arrested for possession of, or intentional distribution of, or possession with intent to distribute any illegal narcotic, drug, or other controlled substance on school property shall be referred by the school principal or his/her designee, within five (5) days after such arrest, for testing or screening by a qualified medical professional for evidence of abuse of alcohol, illegal narcotics, drugs, or other controlled dangerous substances.

If evidence of abuse is found, the principal or his/her designee shall refer the student to an alcohol and drug abuse treatment professional chosen by the student's parent or legal guardian. If it is determined by the professional that the student needs treatment, and if the student agrees to cooperate in the recommended treatment as certified in writing by the medical professional, such documentation may be used to initiate reopening the student's disciplinary case. The School Board shall take into consideration the student's agreement to receive

treatment as a positive factor in the final decision relative to any final disciplinary action.

### DRUG FREE ZONES

It is unlawful for anyone to use, distribute, be under the influence of, manufacture or possess any controlled substances as defined by statute on or around school property or an area within 2,000 feet of any property used for school purposes by any school, or on a school bus. These areas shall be designated as *Drug Free Zones*. The Zachary Community School Board, in cooperation with local governmental agencies, and the Louisiana Department of Education, shall designate and mark *Drug Free Zones* which surround all schools and school property.

### **Annual Notice Regarding Consent to Bill Medicaid and Share Information with the Louisiana Department of Health**

Schools in Louisiana have been approved to receive partial reimbursement from Louisiana Medicaid for the cost of certain health-related services provided to students by the Zachary Community School District. For Zachary Community School District to get back some of the money spent on services, **Zachary Community School District** needs to share with Louisiana Medicaid the following types of information about certain students: name; date of birth; gender; type of services provided, when and by whom; diagnosis (if any) and Louisiana Medicaid ID. If your child is eligible to receive services to meet his/her needs, the services may be provided by the school system and/or you may take your child to another provider that accepts Medicaid.

With one-time written parental permission, Zachary Community School District seeks partial reimbursement for services provided by Louisiana Medicaid, including, among others, a hearing test or eye exam; occupational or speech, or physical therapy; some school nurse services; and counseling services. After the initial permission is given, this annual notice is provided each year.

Please be advised of the following:

1. **Zachary Community School District** cannot require families to sign up for Louisiana Medicaid to receive the health-related and/or special education services to which the student is entitled.
2. **Zachary Community School District** cannot require families to pay anything towards the cost of a student's health-related and/or special education services.
3. Zachary Community School District is permitted to share information with and request reimbursement from Louisiana Medicaid:
  - a. This will not affect the students' available lifetime coverage or other Louisiana Medicaid; nor will it in any way limit the family's use of Louisiana Medicaid benefits outside of school.
  - b. The permission will not affect the student's special education services or IEP rights in any way if the student is eligible to receive them.
  - c. The permission will not lead to any changes in the student's Louisiana Medicaid rights; and
  - d. The permission will not lead to any risk of losing eligibility for other Medicaid-funded programs.
4. Once permission is given, families have the right to change their minds and withdraw permission at any time.
5. If permission is withdrawn, Zachary Community School District will continue to be responsible for providing the student with the eligible services at no cost to the family.

If a parent wishes to withdraw previously given written consent, please contact the Director of Student Support **Services, Aeneid H Mason**, [aeneid.mason@zacharyschools.org](mailto:aeneid.mason@zacharyschools.org).

Dear Students and Parents,

We look forward to a successful school year with the continued support of our parents and the Zachary community. Please do not hesitate to contact the school if we can be of assistance to you.

The school alone cannot teach the whole child. It takes the effort of the school, parents, and community working together. Parents are their child's first teacher and are encouraged to become involved in the education of their children. You can become involved by reviewing homework each evening, listening to and reading with your child, becoming a classroom volunteer and an active member of the Zachary's Elementary Parent Teacher Organization (ZEPTO).

This Student/Parent Handbook has been prepared to foster a good working relationship between the school, students, and parents. This handbook outlines our expectations by clearly explaining rules, procedures, and other school information. Please read it carefully and refer to it as needed.

**SCHOOL ATTENDANCE**

Please refer to the district policy.

**MAKE-UP WORK**

If a student is to be out of school for an approved extended absence, it is his/her parent/guardian’s responsibility to make arrangements for assignments with the teacher. Written assignments will be gathered during the absence and provided to the student upon his/her return to school. Please be aware that up to 70% of the classroom activities consist of class participation, projects, discussion, and practice that cannot be duplicated or made-up. In all absentee cases, class assignments must be completed within the time specified by the teacher to receive credit.

**Parents are required to call the school office when they know that their child is going to be absent.**

## **TRUANCY**

The administration and faculty of ZELC, NES, and RPES will follow the Truancy Policy as outlined by the Zachary Community School District.

## **CHECKING STUDENTS IN AND OUT OF SCHOOL**

Students arriving late to school should first report to the office with their parent. A tardy slip must be secured before continuing on to the classroom. The child will continue on to class without the parent. Circumstances may require a parent to pick up their child from school early. Please do not call the office and ask that students be called out of class and waiting in the office for the parent to arrive. This interrupts valuable instructional time. Parents need to allow minutes for their child to be called out of class and arrive at the office. Parents must sign the child out through the office on the appropriate form.

Persons 17 years of age and younger are not permitted to check out students. A photo id or driver's license is required. Persons not listed on the registration and/or emergency card will not be allowed to check out the child without written parental permission. Please do not check your child out unless it is an emergency. Check outs should not be made later than the times indicated for each school. See times for each school.

## **TARDY/EARLY CHECKOUT**

The administration and faculty of ZELC, NES and RPES will follow the Tardy / Early Checkout Policy as outlined by the Zachary Community School District.

Note: All tardies will be unexcused unless the tardy is accompanied by a doctor's excuse. If a student is tardy to school with a parental excuse, that student will be allowed to make up missed work. However, the tardy will still count toward the student's total.

1. Student illness (with a doctor's note)
2. Medical appointments (with a doctor's note)
3. Bus delays

\*If you have any questions as to whether your child's tardy is excused, please call your school's administration.

## **CHANGE IN AFTERNOON TRANSPORTATION**

Written permission is required anytime a student's usual departure routine is changed. **Phone calls will not be accepted.** Parents should send a note with the child on the morning of the change. In the event of an emergency, parents must email the school clerk or send a fax requesting the change. Parents must call the school to ensure that the email or fax was received. **An email to the child's teacher will not suffice for "written permission" as the teacher may not be able to check his/her email prior to dismissal.**

## **EXTENDED DAY PROGRAM**

Students participating in the Extended Day Program may be dropped off beginning at 6:30 a.m. and must be picked up by 5:45 p.m. A late fee of \$1.00 per minute will be assessed after 5:45 p.m.

## **EXTRACURRICULAR ACTIVITIES/FIELD TRIPS**

Various extracurricular activities are held throughout the school year. Students are expected to maintain appropriate behavior during the activities. Performers, guests, and speakers are to be treated with respect and consideration.

Extracurricular activities include, but are not limited to: field trips, before and after school activities, and reward or enrichment assemblies. Students are encouraged to participate in any or all of these activities. Participation is a reward for maintaining acceptable citizenship and behavior.

Field trips are scheduled during the school year for educational enrichment purposes. Students who lack proper self-control as determined by the teacher in charge will not be allowed to attend any field trip. A parent consent form to allow attendance on a field trip must be on file in the classroom/office prior to the trip. Students may be charged a fee to cover the cost of transportation and entry into the event. All students must ride the buses provided by the school system to go on field trips. Parents may not check children out from a field trip location. All check-outs must be done in the office at the school. **Students who have not paid or have an outstanding breakfast, lunch, fundraiser or extended day balance may not be allowed to attend field trips or extracurricular school activities.**

Parent chaperones and volunteers are sometimes needed to accompany students on field trips. The number of chaperones needed for each field trip will be determined by the teachers. Parents who are not chaperones designated by the teachers will not be allowed to ride the bus.

Chaperones and parent guests serving in a supervision capacity are to be treated with the same respect due to a teacher or other staff member. Parents should contact a teacher or administrator immediately if they encounter difficulty with a student. Teachers and staff are to handle all discipline. All chaperones and parent volunteers must sign a chaperone code of conduct. Any student who fails to treat a parent with due respect will not be allowed to participate in events that require parent supervision. **Siblings (other children under the age of 18) are not allowed at school for field trips or any school related activities.**

Students are to refrain from communicating with and are required to report any person who attempts to communicate with them if they do not have a visitor's badge. **In order to preserve instructional time, students are not allowed to be called out of class to visit with parents.**

All school volunteers are required to obtain a visitor's badge from the office. This includes weekly classroom helpers, classroom and/or playground observers, and parents attending field trips, class presentations or special assemblies.

### **VOLUNTEERS**

We welcome volunteers to our school. However, in order to protect instructional time, please adhere to the following guidelines:

- Volunteers should pre-arrange their volunteer time with their child's teacher, who will inform the front office to expect the volunteer.
- All volunteers should bring license or state issued identification and sign in at the front office and obtain a visitor's pass.
- Teachers may leave volunteer work at the front office to be completed in the teacher's work room unless the volunteer's work necessitates them being in the classroom. These arrangements will be preapproved by the administration.

### **CLASSROOM OBSERVATIONS**

We welcome our parents to visit our school. However, parents may not observe in classrooms without an administrator present. Classroom observations are limited to 15 minutes. We require a 24-hour notification to observe in a classroom. Please call the office to schedule an observation. ## **PARENTAL INVOLVEMENT/HOMEWORK**

Homework promotes the development of self-discipline, good study habits, a sense of responsibility, mastery of skills and comprehension of subject content. It is assigned on a regular basis and will vary according to the grade, subject, and instructional needs of the student. Providing a place and time for studying and letting your child know that homework is his/her job and you expect it to be done is one of the most important ways for parents to be involved in school.

## **ZEPTO (ZACHARY'S ELEMENTARY PARENT/TEACHER ORGANIZATION)**

The Zachary Community School District considers its parent volunteers a very special resource. ZEPTO includes all elementary schools. Please support the schools by joining this organization. Parents are encouraged to help with special events, programs, and extracurricular activities. Please call or notify your child's teacher if you have time you can share to

make our schools a better place for students to learn and grow.

## **PARENT COMMAND CENTER**

Parents of students in grades 1-12 may access the online grading system at any time throughout the school year to view the status of their child's progress and attendance information at [www.zacharyschools.org](http://www.zacharyschools.org). \*See insert for Parent Command Center.

## **HOME/SCHOOL COMMUNICATION**

One of the most important things we can do to help children grow academically is to communicate regularly with parents. There are several ways to do this:

1. Student work papers are sent home every two weeks in grades K-2nd. Be sure to sign this envelope and return it to school within two days.
2. In grades K-2, report cards will be given at conferences or sent home at the end of each nine-week period. PreK report cards will be given at the end of each checkpoint.  
\*Progress Reports for first and second grade students will be sent home between grading periods throughout the year.
3. Newsletters will be sent home monthly.
4. Parents may request a conference at any time throughout the school year.

## **TELEPHONE POLICY**

Parents may call the school office and leave a message for a teacher or administrator, and the call will be returned when time permits. Classroom instruction will not be interrupted for parent phone calls. All teacher/parent communication will be through school phones, school email, and student's binder. Please refrain from trying to communicate with teachers & staff through social media websites, (Facebook, Twitter, Remind, Instagram, etc.).

## **SCHOOL IMPROVEMENT TEAM**

The School Improvement Team consists of parents, community and business representatives, administrators, and school staff. The School Improvement Team will generally meet at a mutually agreed upon time to review progress made towards goals described in the School

Improvement Plan and offer ways to enhance the school. Parents are encouraged to participate and are welcome to view the School Improvement Plan.

### **PROMOTION POLICIES FOR KINDERGARTEN**

1. Readiness for first grade will be determined by proficiency of kindergarten skills according to the criteria defined by Zachary Community School District Pupil Progression Plan. An inventory of skills progression will be marked each nine-week period for kindergarten students.
2. Parents will be given a review of their child's progress each nine-week period.

### **PROMOTION POLICIES FOR GRADES 1 & 2**

1. Readiness for the next grade will be determined by Proficiency of skills according to the criteria defined by Zachary Community School District Pupil Progression Plan.
2. To be promoted in grades 1 and 2, a student must have an annual average of 60% in reading and mathematics and two other subjects. Students who have not mastered at least 60% will be referred to the SBLC for consideration of alternatives to retention.
3. Promotion or retention will be determined by the SBLC for students who have an F in reading or math for the 3rd or 4th nine weeks.
4. At the end of the first and second grade, the student is expected to be able to read and understand grade appropriate vocabulary, high frequency words and grade appropriate math skills in order to be promoted.
5. Parents will be given a review of their child's progress at each conference period and will be required to be a part of the team to plan interventions to accelerate progress when needed.
6. Elementary students, K-8, shall not be absent more than 10 days, EXCUSED AND UNEXCUSED, to be promoted to the next grade. The responsibility for a student attending school lies with the parents or the legal guardian. If the student is chronically absent or

chronically late (tardy) to school, the parent and/or student will be referred to the Office of School and Home Relations (Child Welfare and Attendance). If attendance does not improve, the parent shall be referred to the Zachary City Prosecutor and Zachary City Court.

## **GRADING SCALE FOR REGULAR CLASSES**

The grading scale for achievement in first and second grades are:

A = 90-100%

B = 80-89%

C = 70-79%

D = 60-69%

F = 0-59%

## **FIRE, DISASTER AND PUBLIC DISTURBANCE DRILLS AND PROCEDURES**

An emergency evacuation map is posted in each classroom. Teachers will review fire, weather, and intruder plans with students. When the fire alarm is sounded, students are to walk quickly and quietly while leaving the building. When the tornado alarm is sounded, students are to move away from windows and follow tornado drill procedures. When a Lockdown or Shelter in Place drill is sounded, teachers will lock doors and follow procedures as documented in individual School Crisis Plans. Students are to stay with their teachers and await further instructions. If students are in an ancillary program, they should exit and stay with that teacher. Fire drills are held monthly. Tornado and lockdown drills are held each semester.

## **FUNDRAISING**

Schools may host up to two major fundraising campaigns during the school year. Participation will be voluntary. Your cooperation, support, and participation are appreciated.

2. Meritorious Attendance: students who miss **3 days or less** of the school year (no more than 3 tardies or checkouts).

## **PBIS**

PBIS or Positive Behavior Intervention and Support is a behavior support program that recognizes the positive contributions of students. The main goal is to help each child develop self-discipline to make good choices. The PBIS process focuses on improving a school's ability to teach and support positive behavior for all students. Common routines and uniform language with respect to appropriate school behaviors are consistent throughout the school. As a result, instructional time is more effectively used for teaching, and the overall school environment is calm, pleasant, and conducive to learning. You will find implementation details under each school's section.

## **ARRIVAL AND DEPARTURE PROCEDURES**

Students must not arrive prior to 8:30 a.m. as there will be no teachers on duty before that time. Car riders will use the driveway in front of the office building. We are asking that you please remain in your car and let the teachers load/unload your child. Students will be unloaded from the passenger side of the vehicle only. ## **DISCIPLINE**

One of the characteristics of an effective school is providing an environment that is safe, orderly, and wholesome. With this in mind, Northwestern Elementary School maintains high expectations of student behavior. All pupils are expected to know and comply with school rules, to cooperate with their teachers and other staff members and to greet all persons on the campus with respect and kindness. Likewise, staff members are required to treat students with respect and consideration. The principal of Northwestern Elementary School expects the staff and students to work together to make Northwestern Elementary School an exciting, rewarding, and pleasant institute of learning. Students who come to school knowing this will have very few problems with discipline. Every student will be presented with the school's general expectations and will be specifically informed of each teacher's classroom rules. Students will be held accountable for these rules.

We expect proper conduct from all students. Every child has the right to feel safe at school and to be in a productive learning environment. If your child has any problems, have him/her contact the classroom teacher, the principal or any adult school employee.

Each parent must review the school and classroom rules with his/her child. It is also important that parents and students carefully review the district Student Rights and Responsibilities Handbook and Discipline Policy. This code of conduct is comprehensive and includes district and state imposed consequences for misbehavior, as well as the consequences that will follow if a rule is broken.

If a student continually chooses to break school rules or is involved in major disruptions such as fighting or defiance of school personnel, he or she may be assigned to the Character Action Training (CAT) room, and/ or suspended from school. If a child is not allowed to attend field trips, parties, or programs due to misconduct, any money that has been paid will not be refunded.

We feel that the following discipline regulations will assist in creating the safest possible school environment for your children.

## **CHARACTER ACTION TRAINING ROOM (CAT ROOM)**

The purpose of the Character Action Training Room is to provide an alternative to suspension whereby a student who has committed an infraction at school will be able to remain in school and be given an opportunity to modify his/her behavior.

ior through discipline activities, counseling, class work assignments, encouragement, and parental/guardian contacts.

**Northwestern Elementary is a PBIS School!**  
***Be Respectful, Be Responsible, Be Your Best***

The mission of the **Positive Behavior and Intervention Support (PBIS)** committee at Northwestern Elementary School is to ensure that our school has a safe, positive environment for all students. We strive to enable our students to be respectful, be responsible and be their best.

Our purpose is to continuously monitor discipline data to guarantee that rules and procedures adopted by our school and district are enforced fairly and consistently by all teachers. Our PBIS committee reviews discipline data and develops positive incentives for rewarding students and teachers. The committee reviews administrative procedures to ensure consistency and effectiveness when administering consequences for negative student behavior.

BE RESPECTFUL  
BE RESPONSIBLE  
BE YOUR BEST

Students learn these expectations through a song taught to them at the beginning of the year:

*“Be Respectful, Be Responsible and You’ll Always Be Your Best. Be Respectful, Be Responsible and You’ll Always Be Your Best!”* (Tune: Oh, My Darling Clementine)

**Celebrations:**

Monthly celebrations are held to reward students for their appropriate behavior. Students who have consistently demonstrated understanding of our school’s expectations are invited to the “celebration.” Celebrations vary by month, but could include a popsicle party, extra recess, or a movie party. Students who did not make the right choices during the month, spend this time reflecting on how better choices can be made.

In addition to monthly celebrations, weekly celebrations are held each Friday to recognize students who have made positive choices. On Friday, students who have an A in conduct are allowed to wear their good behavior wristband on Friday.

### **How can you help your child stay on the path to positive behavior?**

Together, the home and school share the responsibility for developing good citizens. Parents, teachers, and students must collaborate to maintain a safe learning environment. Parents can help by doing the following:

- Review the Northwestern Elementary Expectations Matrix with your child and post it in your home.
- Keep in touch with your child's teacher.
- Practice caring phrases with your child such as "Thank You," "Please," and "Excuse me".
- Ask your child if he/she wore his/her good behavior medals on Friday.
- Ask your child about the PBIS monthly celebration and encourage them to strive for this goal.
- Read the "PBIS Corner" with your child in the school's monthly newsletter.

## **Northwestern Elementary Parent & Family Engagement Policy**

The administration, staff, and parents of Northwestern Elementary believe that the improved academic achievement of each student is a responsibility shared by the entire school community, including the school district, school, community members, school administration, staff, students, and parents.

## School-Parent Compact

### What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

#### Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and effective instruction in a safe and supportive learning environment
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

### SIX TYPES OF PARENT ENGAGEMENT

- PARENTING
- COMMUNICATING
- VOLUNTEERING
- LEARNING AT HOME
- DECISION MAKING
- COLLABORATING

The parents and staff of NES developed this School-Parent Compact for achievement. Teachers suggested home learning strategies, parents added idea and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents can contribute comments at any time.

If you would like to volunteer or participate on committees, please contact NES at 225-654-2786.

### **SCHOOL BEGINS**

8:45 a.m.

### **SCHOOL ENDS**

3:45 p.m.

## **ARRIVAL AND DEPARTURE PROCEDURES**

Students must not arrive prior to 8:20 a.m. as there will be no teachers on duty before that time. Car riders should enter the carpool line using the paved extension from ZELC's driveway and exit through Rollins Place parking lot. (Please see the RPE carpool map in this book). Bus riders will be unloaded on the side of the school near the Early Learning Center. Upon arrival, students are to report to class. Students who eat breakfast at school are to do so before reporting to class. Car riders arriving after 8:35 will not be allowed to eat breakfast at school.

The procedures for dismissal must be adhered to for the safety and protection of all students. Bus riders will board buses on the side of the school near the Early Learning Center. Parents who pick up their children in the afternoon will do so using the front entrance of the school on Rollins Place. The car rider line must be used for dropping off or picking up students; parents may not walk students to the office during arrival or dismissal. Anyone picking up a car rider must have a school issued "car rider card" with them in the car. Without it, the driver will be asked to come inside to check out the student.

## **PARENT/TEACHER CONFERENCES**

Students will be released at 1:10 p.m. on Early Dismissal dates so that parent/teacher conferences can be held. All parents will be contacted to schedule a conference for the first nine weeks. Please make every effort to attend this conference. Conferences after that will be held on an as-needed basis or at parent's request.

## **Medications**

### **Over-the-Counter Medications**

All over-the-counter (OTC) medications must be brought to the school nurse by a parent or legal guardian. The medication must be in its original, unopened container and accompanied by any required school medication authorization forms. Once received, the medication will be stored securely in the nurse's office and administered according to school policy.

Over-the-counter medications **may not be carried by students** unless specifically authorized by the student's healthcare provider and approved by the school nurse and administration.

Any medication remaining at the end of the school year must be picked up by the parent or legal guardian. Medications that are not picked up by the designated date will be disposed of according to district policy.

### **Prescription and Controlled Medications**

All prescription and controlled medications must be brought to the school nurse by a parent or legal guardian. The medication must be in the original pharmacy-labeled container with the student's name, medication name, dosage, and prescribing healthcare provider clearly indicated. A current medication authorization form signed by the parent/guardian and, when required, the licensed healthcare provider must also be submitted.

All prescription medications will be stored in the nurse's office

and administered by the school nurse or other authorized school personnel according to the healthcare provider's instructions. **Students are not permitted to carry prescription or controlled medications on campus unless authorized by law and approved by the school nurse and administration (such as approved emergency medications).** Any medication remaining at the end of the school year must be picked up by the parent or legal guardian. Medications that are not picked up by the designated date will be safely disposed of in accordance with district policy.

Students who bring prescription or controlled medications to school without following these procedures may have the medication confiscated and returned only to a parent or legal guardian. Possession of prescription or controlled medications without a valid prescription or authorization, or the distribution of such medications to others, may result in disciplinary action in accordance with district policy, including suspension or a recommendation for expulsion.

## **DISCIPLINE**

Discipline is of vital importance to the educational structure. It is the training that develops self-control, character, order, and efficiency. It is the key to good conduct and proper consideration for other people. Disorderly conduct in school, on the school playground, on the school bus, or traveling between school and home will not be tolerated.

In order to guarantee all students at Rollins Place Elementary an excellent learning climate, students are expected to follow school expectations and rules. Students with less than a "C" in conduct may not be allowed to participate in special activities. These activities include but are not limited to field trips, programs, parties, and incentives. If a student is not allowed to attend field trips, programs, or parties due to misconduct, any money that has been paid for the activity will not be refunded.

If a student is sent to the office with a behavior referral, a conference will be held with the student and administration or designee.

Rollins Place Elementary has implemented a Minor Infraction Form. The student may/may not spend time in the Character Action Training (CAT) room and the parent is contacted. Excessive referrals or severe misconduct may warrant a suspension as determined by the school’s administration. The parent is encouraged to also take action at home to help resolve the display of inappropriate behavior.

Consequences and rewards within the classroom are administered in accordance with each teacher’s classroom management plan.

## **Rollins Place Elementary Positive Behavioral Interventions and Support (PBIS)**

PBIS is a scientifically research-based system approach enhancing the capacity of schools to educate all students, including those with challenging social behaviors. PBIS is a proactive process whereby school leadership teams, in alignment with social improvement efforts, 1) facilitate the school's implementation of system wide positive discipline procedures, 2) make ongoing data-based decisions about the effectiveness of their discipline procedures/interventions, and 3) make adjustments as needed throughout the year to enhance the success of all students, faculty and staff. As a staff and student body, we have devoted much time to collaborating on the details of a School-wide Positive Behavioral Intervention and Support (PBIS) Program. Part of

this process included developing and teaching specific behavioral expectations to our students. These behaviors will be positively reinforced throughout the school year. We expect all of our students to follow the school's expectations and rules:

**MOTTO:**

Rollins Place Wranglers make respectful, responsible, and safe choices all day, every day.

**SCHOOL EXPECTATIONS:**

1. Be Respectful
2. Be Responsible
3. Be Safe

**SCHOOL RULES:**

1. Follow the teacher's directions
2. Keep hands, feet and objects to yourself
3. Speak at appropriate times
4. Stay in your assigned area
5. Respect yourself, others, and school property.

Schoolwide motivational programs designed to model behavioral expectations and reward exceptional achievements within these expectations will be implemented throughout the year. In addition, each classroom teacher incorporates a class behavior incentive program.

As part of the Rollins Place Elementary Family, you are a valuable partner in making this work! Discuss the expectations with your child. Ask them if they have earned any rewards and how they earned them. Give us your input as to how our system is working. We recognize the importance of working as partners with families and want your input and involvement as we strive to create the best possible experience for your child. It is our expectation that you will help us keep the excitement going throughout the school year!

## School-Parent Compact

### What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

#### Effective components:

- Link to grade of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and effective instruction in a safe and supportive learning environment
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

### SIX TYPES OF PARENT ENGAGEMENT

- Parenting
- Communicating
- Volunteering
- Learning at home
- Decision making
- Co-coordinating

The parents, students, and staff of RPE developed this School-Parent Compact for achievement. Teachers suggested home learning strategies, parents added ideas and student talk is what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents can contribute comments at any time.

If you would like to volunteer or participate on committees, please contact RPE at 225-658-1940.

Parents/Guardians,

PLEASE CHECK ONE OF THE BOXES BELOW AND RETURN TO P.E.

The Physical Education Department at Zachary Elementary is excited about the upcoming school year. Your child will be participating in P.E. class five days a week for 30 minutes. Please be sure your child wears appropriate tennis shoes to P. E. every day. Shoes with heels, ballerina flats, and boots are not good support for Physical Education activities, and therefore considered unacceptable footwear. Girls should always wear shorts under their skirts and jumpers.

The P.E. staff is concerned about your child’s overall health. We need to be aware of any problem that might interfere with your child’s participation in P.E. class. Please fill in the information below and return it to school immediately.

Also, if during the school year your child cannot participate in P.E. for a short period of time due to an illness, injury, or any other reason, a note should be sent to his/her P.E. teacher. If your child will be out of P.E. for more than three consecutive days, a doctor’s excuse is required. If your child misses more than 3 consecutive days, we require an “all clear” note for participation, again this is for the safety of your child.

Thank you for your cooperation in this matter. We look forward to a safe and successful year.

Early dismissal begins at 12:15 p.m.

### **ARRIVAL**

Students must not arrive before 7:30 a.m. as there will be no teachers on duty before that time.

Bus riders will unload on the east side (39th Street) while car riders will unload on the south side (Hemlock Street) of the school. Upon arrival, students are to report to the area assigned for each grade level. Students who eat breakfast at school are to eat breakfast first then report to their assigned area. The assigned area for students is their homeroom class or an area designated by the teacher. A

school crossing guard will be stationed at the corner of 39th Street and Hemlock. Students walking or riding their bikes to school should cross **ONLY** at this location.

## **DEPARTURE**

The procedures for dismissal must be adhered to for the safety and protection of all students.

Dismissal time is 3:00.

Bus riders will board buses on the east (39th Street) side of the school. Car riders will load on the south (Hemlock St.) side of the school in the car rider line. Car riders may not be picked up by a walk-up parent. **Anyone picking up a car rider must have a school issued “orange card” with them in the car.** Without it, the driver will be asked for I.D.at carpool.

Walkers will depart from the south side (Hemlock St.) of the school only after the buses have departed. All students are to report home immediately after school.

In the event of inclement weather, walkers and bikers should be picked up in carpool.

## **CHANGE IN AFTERNOON TRANSPORTATION**

Written permission is required anytime a student’s usual departure routine is changed. **Phone calls will not be accepted.** Parents should send a note with the child on the morning of the change. In the event an emergency, parents must email the school clerk or send a fax requesting the change. Parents must call the school to ensure that the email or fax was received. A copy of a photo/ID must accompany the fax or email. An email to the child’s teacher will not suffice for “written permission” as the teacher may not be able to check his/her email prior to dismissal. All changes must take place before 2:00 p.m.

## **DISCIPLINE**

Good discipline is essential in any teaching situation. Every teacher is authorized to hold every pupil to a strict accountability for their conduct. Disorderly conduct in school, on the school playground, on the school bus, or traveling between school and home will not be tolerated.

Discipline is of vital importance to the educational structure. It is the training that develops self-control, character, orderliness, and

efficiency. It is the key to good conduct and proper consideration for other people. With an understanding of the purposes of discipline in a school, a student will form a correct attitude toward it and not only do his part in making school an effective place of learning, but also develop the habit of self-restraint which will make him or her a better person.

To guarantee all students at Zachary Elementary an excellent learning climate, students are expected to follow school and class rules. The following behavior expectations have been adopted by the faculty. Specific classroom rules and consequences (both positive and negative) will be determined by the classroom teacher.

ZES Mustangs, racing towards success with **Respect, Safety, and Responsibility**.

The administrative staff may prohibit students from attending school-based activities for the following reasons:

**STUDENTS MAY NOT HAVE TOYS AND ELECTRONIC DEVICES (CELL PHONES, BEEPERS, IPODS, SMART WATCHES, ETC.) ON SCHOOL PROPERTY OR ON THE SCHOOL BUS.**

### **SCHOOL-WIDE DISCIPLINE PLAN**

Effective school-wide discipline needs participation and cooperation from parents, students, teachers, and the administration. The following corrective actions are utilized to reinforce school and classroom expectations. This plan is initiated when attempts to correct inappropriate student behavior by negative consequences (parental contact, team conferences, or negative Dojo marks, etc.) or positive acknowledgment of suitable behavior (Class Dojo, class incentives, Mighty Mustang tickets, etc.) have failed. *This plan excludes Zero Tolerance offenses.*

### **IN SCHOOL SUSPENSION (ISS)**

Students who repeatedly commit minor infractions or commit a major infraction may be assigned to in school suspension (ISS).

- ISS is a self-contained program that is an extension of the

regular classroom.

- Students assigned to ISS receive instruction on proper character and are allowed to complete class assignments.
- A parent or guardian must provide transportation for the student.
- A conference will be scheduled with an administrator.

### CHARACTER CLASS

Students who have committed a minor infraction may be assigned to

Character Action Training (CAT).

- The Character Class is a self-contained program that is an extension of the regular classroom.
  - Students assigned to Character Class receive instruction on proper character and are allowed to complete class assignments.
- Offenses leading to assignment to Character Class include, but are not limited to, the following:

- Refusal to follow teacher directives (i.e.- Willful Disobedience) in the classroom.
- Failure to perform assigned classwork (Work Habits).

### LUNCH DETENTION

Students who have committed minor infractions may also be assigned to lunch detention.

**PROMOTION POLICIES FOR GRADE 3 & 4**

**HOMEWORK POLICY**  
The business of your child’s education is a joint venture that involves school personnel, students, and parents. Each has a vital role. Homework promotes the development of self-discipline, good study habits, a sense of responsibility, mastery of skills, and comprehension of subject content. It is assigned on a regular basis and will vary according to the grade, subject, and instructional needs of the student. Providing a place and time for study and letting your child know your expectation regarding homework is one of the most important ways for parents to be involved in school.

**HOME / SCHOOL COMMUNICATION**  
One of the most important things we can do to help children grow academically is to keep in touch. There are several ways we do this:  
1. Student work papers are sent home every three weeks. Be sure to sign this envelope. Return it to school within two days.

**\*\*These are the dates papers will be sent home\*\***

|              |             |          |
|--------------|-------------|----------|

| September 17 | January 14  | April 15 |
| October 8    | February 4  | May 6    |
| November 5   | February 25 |          |

2. Report cards will be given at conferences or sent home at the end of each nine-week period.

- **Report Card Dates:**

3. Newsletters will go home monthly.
4. The school will use Remind for school-wide informational blasts.
5. Progress Reports will be sent home with the student midway through each nine-week period.
  - Progress Report Dates are:
    - 1st Nine Weeks: September 10
    - 2nd Nine Weeks: November 12
    - 3rd Nine Weeks: February 4
    - 4th Nine Weeks: April 20
6. We encourage you to be part of the Zachary Elementary's Parent Teacher Organization (ZEPTO). We plan to provide meetings for you that are informative. The cost is \$5 per child or \$15 per family.

### **VOLUNTEERS**

We welcome volunteers to our school. However, in order to protect instructional time, please adhere to the following guidelines:

- Volunteers should pre-arrange their volunteer time with their child's teacher, who will inform the front office to expect the volunteer.
- All volunteers should sign in at the front office and obtain a visitor's pass.

### **PARENT / TEACHER CONFERENCE**

Parent/Teacher conferences will be held on October 14, 2026. Specific times will be sent home by the teacher. Additional parent/teacher conferences may be set upon request of parent or teacher.

### **EMERGENCIES**

Please be sure the school has the name and phone number of someone who can come to school and pick up your child in case of an accident or illness. We have no facility to keep sick or injured children at school. It is critical that we have an emergency telephone number should such a situation occur. **Please supply the school with any change of address or phone numbers.** New proofs of residency are required with change of address.

Please keep your child's Emergency Card current.

In the event a child becomes seriously ill and parents or the designated person cannot be reached, he/she will be taken to Lane Regional Medical Center at the parent's expense.

In the event of an emergency school closure, radio and TV stations will keep the public informed. Parents may also receive a call, text, and or email from the district's emergency communication system. In order to keep communication lines open, do not call the school. We will dismiss school only when notified by the Zachary Community School Board.

### **MEDICATION AND IMMUNIZATION**

School Board policy permits us to use only soap and water and an ice pack on cuts and bruises. Medications are not to be given at school. Possible exceptions to this policy are medication for behavior modification, insect sting allergy, anticonvulsive medications, and asthmatic medication. Parents and physicians of children with the above-mentioned exceptions will be required to complete consent and doctor's order forms, which are available in the school office.

Louisiana Statute 17: 170 makes it mandatory that every child attending the Zachary Community Public Schools be properly immunized against diphtheria, tetanus, whooping cough (pertussis), poliomyelitis, measles, and rubella, or shall present supportive evidence if immunization records are incomplete. Immunizations may be obtained from your local physician or the local health unit. No student can be given medicine at school unless a consent form is completed by the parent and signed by the physician allowing medication to be administered at school. This includes over the counter medicine, cough drops, lotions, and creams.

Please note the following:

- We must have written consent from the doctor that the medicine has to be given during school hours or kept there for emergencies.
- The medicine must be brought to school by the parent/guardian. Do not send medicine with the student on the bus.
- Medicine must be in its original container, labeled by a pharmacist.
- Any time there is a change in medication, a new consent form must be filled out. Students shall not be allowed to have medication of any kind in their possession.
- Over-the-counter medications will not be administered to students unless a signed consent form is on file.

## **HEAD LICE POLICY**

Head lice will be assessed by the nurse or a trained staff member and will be handled on a case-by-case basis. The school nurse will determine what measures need to be taken. School exclusion may be deemed necessary. Refer to the ZCSB Health Handbook for more information.

## **PARTIES, HOLIDAYS AND BIRTHDAYS**

- Each class will be allowed two parties school-wide that involve refreshments and are held during school time: Christmas and end of the year.
- Student birthday parties, etc. cannot be held at school.
- No balloons, flowers, cakes, or cupcakes are permitted.
- No deliveries of any kind will be accepted.

## **FREE/REDUCED PRICE MEAL APPLICATIONS:**

Parents are to fill out **ONE APPLICATION PER FAMILY.** The completed application form should be returned to the cafeteria manager at the school where your youngest child is enrolled.

A new application must be submitted and processed for the new school year in order for meal benefits to continue.

Children may bring their lunch to school with the understanding that it must be eaten in the cafeteria. Lunches from commercial establishments, (McDonald's, etc.), **are discouraged.** Soft drinks in bottles or cans **are not allowed in the cafeteria by students.**

## **STUDENT RECOGNITION**

Our students are honored for grades, conduct and work habits, service, personal growth, citizenship, and attendance.

1. "Champions of Conduct" is an incentive program designed to reward students who have achieved an "A" in conduct and work habits regardless of academic performance. Character class assignment, suspension, or other disciplinary actions disqualify a student from participating in Champions of Conduct.

2. The "Mighty Mustangs" box houses good notes from staff members. On Fridays, slips are drawn, and those students get to select a prize.

3. End of the year honors day awards include honor roll all year,

reading achievement, special academic growth, subject area achievement, citizenship, and attendance. Additional awards will be awarded to deserving students.

4. BUG Awards - The Bringing Up Grades awards are presented by the Kiwanis Club. The Bring Up Grades program awards elementary school students' achievements in subject areas.

## **School Programs**

### **Positive Affirmation Programs:**

Creating an environment conducive to learning not only involves consistent discipline but also positive affirmation of appropriate behavior. Listed below are some of the programs designed to affirm and encourage students.

**Mighty Mustang Box:** The mighty mustang box was designed to "catch" students displaying positive behavior. Each Friday, several names are drawn out of the box by the principal. All names in the box are not drawn and the box is cleared each week. Students selected receive a prize from the office.

**Star Students:** Each month each teacher will select a star student. This student's picture will be displayed in the cafeteria. These students will also receive other recognition at school. Students should be selected on the basis of achievement, attitude, character, or effort. It is the responsibility of the teacher to keep up with who is selected as star student.

**Champions of Conduct:** Champions of Conduct students are recognized for achieving an "A" in conduct in each 9 week grading period. These students cannot have suspensions or Character Class assignments, or other disciplinary actions.

**Bus Of the Week:** Students who exhibit great behavior on the bus can earn a prize from the administration. The bus of the week will be recognized weekly over the intercom and that bus will display a magnet on the side of the bus.

**PBIS Student Club:** Fourth Grade students are selected by their homeroom teacher to serve on the PBIS student club. Students will serve for a nine-week period and then new members will be selected. This club gives students the opportunity to be actively involved in planning events, choosing rewards and motivators that promote positive behavior within the school. The students

also assist with morning duty by modeling appropriate school behavior to fellow classmates.

Book Vending Machine: Students can choose books that interest them to support the habit of reading for pleasure and to help build home libraries. The machine is leveraged as a pillar in the schools existing literacy support program, building excitement in students around book ownership, independent reading, and academic success. To use the machine, students must first earn the special golden token based on reading time, good behavior, attendance, etc.

### **EXTRACURRICULAR ACTIVITIES/FIELD TRIPS**

Various extracurricular activities are held throughout the school year. Students are expected to maintain appropriate behavior during the activities. Performers, guests, and speakers are to be treated with respect and consideration. Extracurricular activities include, but are not limited to field trips, before and after school activities, and reward or enrichment assemblies. Students are encouraged to participate in any or all these activities. Participation is a reward for maintaining acceptable citizenship and behavior.

Field trips are scheduled during the school year for educational enrichment and reward purposes. Students who lack proper self-control as determined by the teacher in charge, will not be allowed to attend any field trip. A parent consent form to allow attendance on a field trip must be on file in the classroom/office prior to the trip. Students may be charged a fee to cover the cost of transportation and entry into the event. All students must ride the buses provided by the school system to go on field trips. Parents may not check children out from a field trip location. All check-outs must be done in the office at the school.

\*Parents should not post pictures of children other than their own on any form of social media.

### **SCHOOL IMPROVEMENT TEAM (S.I.T.)**

The school shall establish a School Improvement Team to serve in an advisory capacity to the school principal and to assist in the development of the education program and in the preparation and evaluation of the school improvement plan.

### Composition of School Improvement Team:

- Team members shall include the school principal, teachers, education support employees, students, parents, business, and community representatives.
- For information on the current School Improvement Team or to view a copy of the School Improvement Plan, please contact the school office.

**POSITIVE BEHAVIOR INTERVENTIONS SUPPORT (PBIS)** is a school-wide strategy for helping all students achieve important social and learning goals. We know that when good behavior and good teaching come together, our students will excel in their learning. Our Zachary Elementary Code defines our behavior expectations in our school. You will see these expectations posted throughout the school and your child will be learning them during the first days of school. Please take an opportunity to talk with your child about the expectations at school and the importance of continuing to demonstrate the Zachary Elementary Code. With your continued support and involvement, Zachary Elementary will remain a school where students can excel.

The following chart shows the expectations along with what the behaviors should look like as students demonstrate the Zachary Elementary Code.

| Settings and Expected Behaviors                                         |                                                                  |                                                                                                 |                                         |                                                                 |                                            |                                                                                               |

We have no facility to keep sick or injured children at school. Please keep your child's Emergency Card current. In the event your child becomes seriously ill, and parents or the designated person cannot be reached, he/she will be taken to Lane Regional Medical Center at the parent's expense.

**Change of address requires proof of residency and must be done through the ZCSD main office.** Please note that new proofs of residency are required with every change of address.

*We ask that you do not call and ask that we deliver messages to students unless it is an emergency. Students will not be allowed to bring younger brothers, sisters, relatives, or friends to school at any time during school hours. This also applies to field trips.*

### **SCHOOL ATTENDANCE / EXCUSE POLICY**

School attendance is especially important. The Zachary Community School Board recognizes truancy as absences from class or school for any portion of a period or day without permission from home or school. The ZCSD will apply the following procedures to address the accumulation of unexcused absences or tardies:

- The principal of a school, or his/her designee, shall notify the parent/guardian in writing upon a student's third unexcused absence/tardy (late to school) and should document such contact.

- Upon the student's fifth unexcused absence or unexcused occurrence of being tardy, the school shall notify the parent/guardian and schedule a conference with the parent.
- Upon the student's eighth unexcused absence/tardy an additional notification will be made by the school truancy officer via email.
- Upon the student's eleventh unexcused absence/tardy the Supervisor of School and Home Relations shall refer the parent or guardian to the Zachary City Court.

Written Excuses: The schools will accept parental excuses for up to five (5) absences of any reason, thereafter a dentist or doctor's excuse must be submitted for any additional absences to be excused. *All parental excuses must be presented within five (5) school days of the student's return to school or the student's absences shall be considered unexcused and the student not allowed to make up work missed.*

Students absent for two days or less are responsible for getting their assignments upon their return to school.

Parents may contact the office to arrange for classwork/homework for students missing three or more consecutive days.

A child is recovering from a mild illness can be excused from PE, with a parent note. If your child needs to be excused from PE for three or more consecutive days, please send a note from your child's doctor.

*More information regarding attendance/truancy can be found in the district **2026-2027 Student Rights & Responsibilities Handbook and Discipline Policy***

### **SCHOOL TARDY POLICY**

Students at Copper Mill switch classes throughout the day. Students need to move quickly and quietly to avoid being late to class. Most of the tardies occur 1<sup>st</sup> period as a result of students being dropped off late to school. Students are tardy if they arrive to class after 8:00 a.m. The only way a tardy to school will be excused without the tardy going on the student's record is if the student has a doctor's excuse. If a student is having trouble with early morning tardies, the school bus is a logical alternative. Students are not penalized if a bus arrives late to school. The tardy policy is needed for the following reasons:

- When students enter a class late, this interrupts instructional time, and teachers must stop instruction to receive the students.
- When students arrive late, they do not have the opportunity to get their supplies ready for the day's work.
- When students arrive late, they have missed instruction. (Directions and procedures must be repeated.)

## **STUDENT PERFORMANCE & EVALUATION**

- Report Cards will be mailed at the end of the first three (9) weeks and sent home the 4<sup>th</sup> Nine weeks.
- Progress Reports will be sent home with the student midway through each nine-week period.

### **PROGRESS REPORT DATES**

Ancillary teachers provide instruction in the following areas: Art, Robotics/STEM, Band, Choir, Music, Orchestra, Physical Education, Spanish, EL Study Skills, Library Tech, Speech, and Remediation. ***Students may be removed from ancillary programs for remediation purposes at the discretion of the principal.***

### **HOMEWORK POLICY**

The business of your child's education is a joint venture that involves school personnel, students, and parents. Each has a vital role:

- Homework promotes the development of self-discipline, good study habits, a sense of responsibility, knowledge of skills, and comprehension of subject content.
- It is assigned on a regular basis and will vary according to the grade, subject, and instructional needs of the student.
- Recess detention is assigned when students reach three missed homework assignments in the same subject during a nine-week period. **Continued failure to complete homework assignments in the same subject will result in a behavior referral (Friday School).**

### **TEXTBOOKS/WORKBOOKS/CONSUMABLE TEXTS**

Textbooks are furnished by the Zachary Community School Board for the students' use.

- Consumable texts are distributed to students in some areas of study.
- Students are expected to care for both school-issued texts and consumable texts. We do not have extra of these to supply to students if consumables are lost.
- Any textbook checked out to the student must be returned in usable form at the end of the school year. Otherwise, the student will be charged full price for the replacement.
- A fine will be charged for slightly damaged books.

### **STUDENT PLANNER**

Student planners serve as an assignment book and hall pass. Students must have their student planner daily. Students will NOT be allowed to leave the class without the hall pass portion of the planner signed by their teacher. The pass must include the time the student was excused from class and their destination. Replacement planners can be purchased for \$5.

### **HOME / SCHOOL COMMUNICATION**

One of the most important things we can do to help children grow academically is to keep in touch. There are several ways we do this:

- Grades will be posted in **Parent Command Center** weekly. This will be the main form of communicating the results of assessments to parents. Please notify the school webmaster should you have difficulty accessing current information from our website or Parent Command Center (*Screenshots on how to establish an account can be found on the pages to follow*). Copper Mill does not send home student work papers or tests. Grades are posted in Jcampus and can be accessed through the Jcampus App or Parent Command.
- Students will be given access to a school-approved email account through **Office 365**, which can be used for school-appropriate communication between students

and their teachers, as well as to submit assignments electronically, or other school functions (*Signed parent waiver required*).

- Teachers utilize technology such **Microsoft Office 365** to provide access to classroom resources, and **Class Dojo** for class management and student behavior tracking. (*Explanations of each are on the following pages*).
- **Parent/Teacher Conferences:** Conferences with teachers will not be scheduled during instructional time. Conferences will be held on or before October 14, 2026. Specific times will be sent home by the teacher. Additional parent/teacher conferences may be set upon request of parent or teacher.
- The school will use **Remind** for schoolwide informational blasts. Teachers will also message parents through this platform.
- **Progress reports** will be sent home with the student midway through each nine weeks grading period.
- **Report cards** will be sent home at the end of each nine-week period.
- **Newsletters** will be sent home each month to notify you of important dates and CME news.
- CME has a **Facebook page**. Important announcements and news are posted here daily.
- ***Parents should not post pictures of children other than their own on any social media platform.***
- Our school website can be accessed at **coppermilleelementary.org**. This website includes teacher email addresses, links to teachers' TEAMS pages, and other resources, news, announcements, and student achievements.
- We welcome **parent visits** to our school; however, we ask that you plan visits at a time convenient for the teacher. You must plan by calling the office to set up an appointment with an administrator. 24-hour advance notice required, which will ensure that valuable class time is not consumed.
- We encourage you to be part of the Zachary Elementary Parent Teacher Organization (**ZEPTO**). Meetings are planned to be informative for you. The cost is \$5 per child and \$15 per family

# ClassDojo

## **CLASS DOJO**

CME teachers are utilizing a classroom management tool called Class Dojo. Class Dojo is a program which allows teachers to track students' behaviors (positive AND negative) easily and efficiently. Parents are strongly encouraged to sign up to access the program online, or on their smartphone for convenience. The program is based on points, and students can be given positive points for things like being on-task, being respectful, participating, or working hard. On the other hand, negative points can be assigned if students are off task, talking out, unprepared, or not following other classroom and school rules.

After students have been added to the system, there is a student access code given to each student so that he/she can log on to the website. After each two-week marking period, students will be able to "cash in" their points for participation in special events and school incentives. A student must have 20 positive dojos in a two-week period to receive a reward. If a student only has 0,1,2,3 or 4 negative dojos, they receive the reward regardless of the number of positives earned. Students with 13 or more negative Dojos receive a referral and will not participate in the reward.

## **MICROSOFT TEAMS INSTRUCTIONS FOR STUDENTS**

### **Step 1: Login**

- Go to <http://portal.office.com>
- Links to Office 365 are located on the ZCSD website. under *Login*.
- Teams accounts for students are automatically created.
- Students will login to Office 365 with the same username and password that is used for the computer.
- Students access the Teams app from the apps menu.

### **Student Login**

- Username: `firstname.lastnamegraduationyear@zacharystudents.org`
- (*Sample username:       joe.student2024*)
- Password: `initialslast4ofsocial` (*Sample password: js1234*)
- If students have problems logging in, they should not create an account. Students should see their teacher for assistance.

### **Step 2: Locating Your Classes**

- Once you have successfully logged in, find your courses by selecting the Teams icon on the left side of the screen.
- You will automatically be enrolled into your courses.

- Students may also be added as members of other Teams for various school activities. (Example: Beta)

#### **Online ETIQUETTE in Teams:**

- Students must understand that Teams is a virtual learning environment. It allows students to chat and interact with each other and their teachers through online discussions. There are rules the students must follow:
- Remember to treat each other with respect online as well as at school.
- Never attack or bully others while blogging or having online forum discussions. Personal attacks on others will lessen your own character and can cause problems that can easily be avoided.
- In online academic discussions, avoid using slang. This is an academic environment, and your grammar must be reflective of how you are to write and speak at school or in any academic setting.
- Teams should only be created and managed by teachers and staff members. Students are not allowed to create teams through school accounts.
- Administration is notified if any unacceptable behaviors are used on Teams and students will receive necessary consequences outlined in the school discipline policy.

## STUDENTS/EMERGENCY AND SAFETY PROCEDURES

1. Please be sure the school has the name and phone number of someone who can come to school and pick up your child in case of an accident or illness. Parents are to update emergency contact information annually. We have no facility to keep sick or injured children at school. It is critical that we have an emergency telephone number should such a situation occur. In the event a student becomes seriously ill and parents or the designated person cannot be reached, he or she will be taken to Lane Regional Medical Center or the nearest hospital at the parent's expense.
2. Discuss with your child what he should do in the event of an emergency school closure. If that happens, radio and TV stations will keep the public informed. We will dismiss school only when notified by the Zachary Community School Board. You will also receive a phone call from the district's emergency notification

system regarding the school district's decision on emergency situations. Be sure that your phone number is always updated.

3. Children are permitted to use the school telephone only when there is an emergency. Books, paper, or other school supplies forgotten at home will not be considered an emergency.

### **STUDENT HEALTH POLICIES**

Please refer to the School Health Handbook for specific information about student health services and policies.

## **STUDENT RECOGNITION AND POSITIVE AFFIRMATION PROGRAMS**

Our students are honored for excellence in the classroom, conduct and work habits, service, personal growth, citizenship, attendance, extracurricular participation, and achievement.

**Honor Roll:** At the end of each nine weeks grading period, students are recognized for achieving As and Bs in academic subjects.

**PBIS:** Students are rewarded for making positive academic and life choices. Incentives are determined by the PBIS Committee, tracked via Class Dojo, and rewarded on a bi-weekly basis. Examples are Crazy Sock Day, Twin Day, Crazy Hat Day, Homework Passes, and others. CME celebrates a mid-year reward and an end of the year PBIS field trip to reward students for good behavior (no referrals within a given period).

**Colts Compliment** is a good note from staff members to students for displaying positive behaviors. When a student is deemed worthy, he gets a note for the Colts Compliment Box. On Fridays, notes are drawn, and those students get to select a prize.

**Awards Day:** Held at the conclusion of the school year - awards include - "A" and "A/B" Honor Roll for the year, Presidential Academic Awards, Most Improved, Zachary Kiwanis "Super BUGS", Courtesy, Physical Fitness Achievement, Band, Choir, Orchestra, Beta Community Service, Accelerated Reader Awards, Athletics, and Principal's Award.

**The "BUGS" Award:** The "Bringing Up Grades" awards are presented by the Zachary Kiwanis Club at the end of the 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> nine weeks grading period. The "Bringing Up Grades" program awards elementary school students for improvement in core subject areas from one grading period to the next.

**Star Students:** Each month each homeroom teacher selects a Star Student. Student names are published in the newsletter. These students also receive other recognition at school. Students are selected based on achievement, attitude, character, and/or effort. Students are rewarded with a special lunch, "Dining with the Stars".

**Copper Mill Code Award:** Students recognized for Star Student, Riding Right, BUGS Award, Colts Complements, and Honor Roll; names will be placed in a drawing, recognized at the end of each semester for the Copper Mill Code Award.

**Perfect Attendance** – No missed instructional time.

## **OTHER SCHOOL WIDE PROGRAMS**

**Accelerated Reader:** Students can read Accelerated Reader books, take a quiz on the book, and earn points upon completion of the quiz. Incentives are given for accumulating AR points and meeting comprehension goals. At the end of the school year, a special award is given to the top point earners in 5th and 6th grade.

**Athletics:** Sports offered include but are not limited to: Basketball (boys/girls), Cross country (boys/girls), Volleyball (girls only), school mascot and 5<sup>th</sup>/6<sup>th</sup> grade Pep Squad.

**Band:** This course is designed to introduce students to different families of musical instruments and build self-discipline. After testing and discussion with the instructor, students can choose an instrument to play. Students must provide their own instruments. A method book for learning how to play an instrument is included in the band fee. Students are expected to perform in each concert given throughout the year and are expected to practice their assignments for 30 minutes every day.

**4-H Club:** Membership to 4-H is open to any Copper Mill student interested in joining. The membership fee is \$15 per year. There is a club limit according to teacher/student ratio, therefore first come, first serve.

**Beta Club:** Membership to BETA is by invitation only, and you must meet the requirements annually. BETA membership does not roll over from 5<sup>th</sup> to 6<sup>th</sup> grade. Requirements for Invitation to Copper Mill BETA Club are as follows:

**Elementary BETA (Fifth Grade) and Junior BETA (Sixth Grade):**

- Minimum of 3.5 cumulative GPA (previous school year)
- 3.5 GPA first nine weeks
- Exhibit outstanding character and self-discipline (no behavior referrals for the current school year)
- Two letters of recommendation from core teachers

*\*Only first-time members to BETA will be inducted.*

***If a BETA student receives a referral after invitations have been sent, but before induction, this will disqualify a student from membership. If a BETA student's GPA falls below 3.5 min., they will be placed on probation for 9 weeks. If the student receives an additional referral, or remains below the required 3.5, their BETA membership will be deactivated.***

**Choir:** Choir is a year-long course designed to promote academic achievement through music analysis, evaluation, and performance. Students

will participate in an ensemble, as well as have solo opportunities. They will build on their musicality and knowledge of music reading. There will be at least two concerts in which attendance is required. There is also a small fee to cover uniforms and music for the year. No prior experience is necessary to join choir.

**Orchestra:** Orchestra is a year-long course that instructs the instruments of violin, viola, cello, double bass, and piano. Students are actively engaged in learning music theory, music history, and music performance. The curriculum is based on the String *Explorer* books. Students prepare for concerts throughout the year and focus on the technical aspects of their instrument.

**Robotics:** In this semester course, students take on the roles of mechanical engineers, computer scientists, and electrical engineers. Students put knowledge into practice through lab settings where robots are created with teams.

**Spanish:** This course introduces students to the basic elements of the Spanish language. The emphasis is on the development of basic listening, speaking, reading, and writing skills.

**Art:** The art class course of study will focus on basic drawing skills as students are exposed to a variety of both two and three-dimensional materials and mediums. Students will explore various art techniques and will also have opportunities to write about and discuss their own works, and the works of others. An advanced art class is now offered for students wanting to develop proficiency in art skills. **Due to the wide variety of art styles studied in art class, some content may contain nude sculptures and paintings created by the artists that will be discussed.**

**Lab Classes:** Students who scored non-proficient in ELA or Math on the previous year's LEAP assessment may be assigned to a lab class. Placement may be for a semester or a full year, depending on the student's area(s) of need. These classes are designed to provide targeted remediation and support in developing essential skills.

**Talented Programs:** The Zachary Community School District offers a Talented Arts Program for Kindergarten through 12<sup>th</sup> grade students who are identified as talented in music, theatre, and/or visual arts. Students must be evaluated by the Zachary Student Assessment and Support Services for Youth (SASSY) Department.

**Library Tech**-This course allows students to learn the structure and systems within a library and various technology components such as Excel, PowerPoint, Windows Movie Maker, etc.

**Positive Behavior Interventions and Support (PBIS)** is a schoolwide strategy for helping all students achieve important social and learning goals. We know that when good behavior and good teaching come together, our students will excel in their learning. Our Copper Mill Code defines our behavior expectations in our school. You will see these expectations posted throughout the school, and your child will be learning them during the first days of school. Please take an opportunity to talk with your child about the expectations at school and the importance of continuing to demonstrate the Copper Mill Code. With your continued support and involvement, Copper Mill Elementary will remain a school where students can excel.

### **Copper Mill Code**

We will give our best.  
We will operate with honesty.  
We will act responsibly.  
We will honor others.

### **Settings and Expected Behaviors**

The following chart shows the expectations along with what the behaviors should look like as students demonstrate the Copper Mill Code.

### **BUS PRIVILEGES**

The privilege of riding the bus is conditional on proper behavior and observance of rules and regulations. Behavior on the school bus that is detrimental to health and safety may result in bus privileges being denied.

- Disciplinary problems or safety violations may result in loss of riding privileges.
- Major offenses will result in more severe punishment, such as suspension/expulsion from the bus.
- All unacceptable behavior is reported to the administration.
- Any misbehavior on the bus, walking to or from the bus stop, or going to or returning from school, may result in temporary or permanent loss of bus riding privileges.
- A student can be removed immediately from a bus if he or she is disrespectful to the driver, fights, curses, or participates in any action on the bus that will endanger the safety and health of others.
- When a student is removed from the bus, transportation becomes the responsibility of the parent or guardian.
- In addition, students removed from the bus must be picked up in a timely manner. ***Late pick-ups will result in your child being placed in Extended Day at the parent's expense.***

### **BUS RULES**

1. Students must remain seated at all times.
2. Students must conduct themselves in a quiet, orderly manner.
3. Students must obey the bus driver.

*For more specific rules, see Zachary Community Schools Rights and Responsibilities Handbook.*

Students may be subject to the following consequences for minor offenses:

- 1st Offense: Results in a referral and in most cases the consequence is a warning. Students will be warned and counseled. The bus driver and a member of the administration will contact parent/guardian.
- 2nd Offense: Student will be denied bus transportation for 1-2 days.
- 3rd Offense: Student will be denied bus transportation for 3-5 days.
- 4th Offense: Permanent suspension for the school year from all bus transportation.

## **DISCIPLINE**

Good discipline is essential in any teaching situation. Every teacher is authorized to hold every pupil to strict accountability for their conduct. Disorderly conduct in school, on the school playground, on the school bus, or traveling between school and home will not be tolerated.

Discipline is of vital importance to the educational structure. It is training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration for other people. With an understanding of the purposes of discipline in a school, a student will form a correct attitude toward it and not only do his part in making school an effective place of learning but also develop the habit of self-restraint which will make him a better person.

To guarantee all students at Copper Mill Elementary an excellent learning climate, students are expected to follow school and class rules. The following code of conduct has been adopted by the faculty. Specific classroom rules and consequences (both positive and negative) will be determined by the classroom teacher.

The **Copper Mill Code of Conduct** is:

- We will give our best.
- We will operate with honesty.
- We will honor others.
- We will act responsibly.

The administrative staff may prohibit students from attending school-based activities for the following reasons:

- Chronic disruptive behavior.
- One or more suspensions or assignments to Character Class.
- Excessive tardiness.
- Excessive incidents of no homework turned in.
- Excessive incidents of not doing class work.

**STUDENTS ARE NOT TO HAVE TOYS OR ELECTRONIC DEVICES (CELL PHONES, SMART WATCHES, AIRBUDS, SMART GLASSES, ETC.) ON SCHOOL PROPERTY OR ON THE SCHOOL BUS.**

Should students choose to use an electronic device to video fights, text messages test items, text message for unauthorized persons to check them out, post incidents that happened on school campus on the internet or similar practices that create a substantial disruption to the learning environment on campus, they may

be suspended and possibly recommended for expulsion depending on the circumstances.

### **SCHOOL-WIDE DISCIPLINE PLAN**

Effective school-wide discipline needs participation and cooperation from parents, students, teachers, and the administration. The following corrective actions are utilized to reinforce school and classroom expectations. This plan is initiated when attempts to correct inappropriate student behavior by negative consequences (parental contact, team conferences, or negative Dojo marks, etc.) or positive acknowledgment of suitable behavior (Class Dojo, class incentives, Colts Compliment tickets, etc.) have failed. *This plan excludes Zero Tolerance offenses.*

### **CHARACTER CLASS**

Discipline infractions may result in a student being assigned to Character Action Class (CAT).-

- The Character Class (CAT) is a self-contained program that is an extension of the regular classroom.
- Students assigned to Character Class receive instruction on proper character and are allowed to complete class assignments.
- ***Any student who must be dismissed from CAT due to discipline will automatically be assigned to 2 days of ISS/Discipline Center at Northwestern Middle School.***

### **FRIDAY AFTER SCHOOL DETENTION**

- **After-school detention will be held at Copper Mill Elementary from 3:00-4:15 P.M. on Friday afternoons, on an as-needed basis.**
- After-school detention will be conducted under the supervision of school personnel.
- Because *Friday After School Detention* is an alternative to suspension, no rescheduling will be allowed; no excuses or tardies will be permitted.
- ***If a student does not attend Friday School or if a student is removed from after-school detention for failure to follow procedure, or for any other reason as determined by the administration, this will result in the student serving a minimum of 1 day in CAT.***

Offenses leading to after-school detention include, but are not limited to, the following:

- Academic Dishonesty or Cheating
- Public Display of Affection
- Skipping Class
- Possession of a cell phone, air buds, smart watches, and/or smart glasses. ***Use of any of these devices during the school day will result in a major referral for Unauthorized use of cell phones, or other electronic devices.***

- **Students in possession of electronic devices during state testing, who video, record, or communicate inappropriately will be subject to suspension or recommended expulsion.**
- Missed homework assignments (After assigned Recess Detention in the same class)
- Excessive Dress Code Violations (After 5<sup>th</sup> offense)

Any referral that results in the assignment to Friday School is considered a minor infraction.

### **DISCIPLINE CENTER**

Students may be assigned to the Discipline Center in lieu of being removed from school. Generally, the center is offered for removal of 2-9 days. Students who are assigned long term suspension +9 days are also usually assigned to DC at NMS unless otherwise determined to serve out of school suspension. The Discipline Center is located on the campus of **Northwestern Middle School**. Students may not participate in school functions during the assignment to the Discipline Center. Parents must accompany the student each day of check-in to the discipline center. Students will be permitted to make up any work while assigned to the Discipline Center. Attendance on all days is required to get credit. Any absence will result in no credit for attendance. A student who must be dismissed due to behavior or noncompliance, must be picked up and may not return to school for the duration of the suspension. **After three (6<sup>th</sup> grade)/ four (5<sup>th</sup> grade) assignments to In School Suspension at NMS, the student can be recommended for expulsion.**

### **RECESS DETENTION**

Students who have committed minor infractions may also be assigned to recess detention.

- Recess detention is held during the student's recess shift.
- Recess detention may be assigned directly by school personnel.
- It may be assigned in instances where a student is not following school procedures outside of the classroom, such as the cafeteria, hallway, restroom, or playground. Recess detention is also assigned to students who have multiple dress code infractions, and excessive tardies.
- 3 missed homework assignments in the same subject/Nine-Week Period. A 4<sup>th</sup> missed assignment in the same subject/Nine-week period will result in Friday School (referral).
- ***Failure to report to recess detention will result in a referral to the CAT room.***
- **5 Recess detentions in a nine-week period will result in Friday School (referral)**

Students will follow the ladder of discipline in the classroom for disruptive behavior. All other behaviors will follow the Copper Mill Elementary School Discipline Policies.

*\* Other infractions and consequences are described in the Zachary Community School System's Student Rights and Responsibilities Handbook.*

### **GENERAL RULES AND POLICIES OF NORTHWESTERN MIDDLE SCHOOL**

#### **PERSONAL SAFETY GUIDELINES**

In the event a student feels that an individual is a threat to the safety and well-being of others, we encourage him/her to report this individual to a person in authority (teacher, administrator, staff, office, etc.).

Each student must follow these instructions:

- Report all "strangers" or people who should not be on campus immediately (no pass needed) to the main office.
- Be alert to people acting suspiciously and note how they are dressed so that they may be described in the event a problem arises.
- Large sums of money and/or expensive items (expensive watches, jewelry, computers, cellphones, etc.) are not to be brought to school. The school shall not be the guardian of these items.
- Report all missing items immediately to a teacher, a coach, or administrator. Make every effort to do so before class is dismissed if possible.

#### **EMERGENCY FORMS: CHANGE OF ADDRESS/PHONE**

It is imperative that the school be able to reach the parent or guardian at anytime during school hours in case of an emergency and/or a discipline

situation. Contact the school office and send a note to your child's home-room teacher with change of address, new telephone numbers, persons authorized to pick up your child, etc. Keep your child's Emergency Card current. **ALL STUDENTS MUST TURN IN AN EMERGENCY CARD!** This information could save your child's life during an emergency. Persistent problems in reaching parents will result in the Office of Child Welfare and Attendance being contacted.

### **FIRE DRILLS**

An emergency evacuation map is posted in each classroom. Students should study the plan and become familiar with it. When the fire alarm is sounded, students are to walk quickly and quietly while leaving the building. Students are to stay with their teachers and await further instructions. If students are in the library during evacuation, they should exit and stay with the librarian.

### **HOMEWORK POLICY**

Homework is an integral part of the educational process. The following guidelines are followed:

1. Homework is given to reinforce skills taught in the classroom.
2. Homework is tailored to the instructional level of each student.
3. Homework is used to foster responsible work-study habits.
4. Homework is used to compute final grades.
5. Homework is to be turned in as directed by the teacher.

A student absent for two days or less is responsible for getting their assignments from a reliable classmate. Parents may contact the counselor to arrange for homework for students missing three or more consecutive days.

Students will be held accountable for not completing or not turning in homework.

The purpose of these consequences is to instill the importance of completing homework. The reinforcement of material taught during the school day is vital to academic success.

### **AFTER SCHOOL ACTIVITIES**

Students are not allowed to loiter in the school building or on school campus after 2:20. Students involved in extracurricular activities are not allowed in the building after school hours unless accompanied by their sponsor.

Students attending after school activities should arrange for transportation to and from the event before arriving on campus. Any student who is not picked up in a timely manner at the conclusion of an event or activity may lose the privilege of attending after school activities for the remainder of the school year. After 45 minutes of no contact with a parent or guardian, the student may be taken to the Zachary Police Department or Sheriff's Office.

## **STUDENT INSURANCE**

Student insurance is available at no cost to parents. If students are covered under a family policy, expenses incurred will be paid according to the school insurance policy schedule of benefits in addition to the insured's primary insurance. After benefits by the family policy have been paid, the school insurance will pay towards the expenses at the usual and customary rate for our area but may not cover the entire expense.

Students who are not insured through a family policy or medical card will be insured for school hours. Medical expenses will be paid at a usual and customary rate for our area but may not cover the entire expense.

## **BUS PRIVILEGE**

The privilege of riding the bus is conditional on proper behavior and observance of rules and regulations. Behavior on the school bus that is detrimental to health and safety may result in bus privileges being denied.

## **BUS PASSES**

### **WALKER PASSES**

A written note from parents is required when students need to ride a different bus or walk to a different location. (ex. The Crossing) This note should be signed by one of the administrators and presented to the driver at boarding time. Parents MUST sign a permission form allowing their student(s) to walk or ride a bike. The signed form will be kept on file in the office.

## **HALL PASS**

Students are not allowed to leave class except for matters of extreme importance. When a student is permitted to leave class, he/she must be provided with a written hall pass signed by the teacher showing the date, student's name, where he/she is authorized to go, the time, and the teacher's signature. Any time a student is in the hall he/she must have a pass.

## **ASSIGNMENT BOOKS**

This assignment book serves as a handbook, student planner, and hall pass. Students must have their assignment books daily. Students will not be allowed to leave class without the hall pass portion of the assignment book signed by a teacher. Replacement assignment books can be purchased for \$3.

## **CAFETERIA**

## **BREAKFAST /LUNCH PROGRAM – OPTIONAL**

All students have the option of eating in the cafeteria or bringing a lunch.

Lunches from home may not be purchased from a commercial establishment (McDonald's) nor can they include canned drinks.

### **STUDENT FEE AND MATERIALS FEE**

In order for students to receive a quality education at NMS, they must have the necessary materials, supplies, and textbooks. NMS has imposed minimum fees to help offset special costs incurred in the operation of our school. We feel strongly that prioritizing where money is spent is critical to the overall education of our students: therefore, the staff believes that using money for fees for educational purposes is more critical than spending money on activities or buying concessions.

School fees will be \$40. Students taking any elective classes such as Art, Drama, Foreign Language, Band, etc. will pay these fees to their respective elective teachers.

### **CLASS SCHEDULES**

Northwestern Middle School offers 7 subjects to all students: English, Math, Science, Social Studies, Reading, Explore Class & Physical Education.

Schedules will be changed for 2 reasons only:

1. Student is placed in the wrong course

2. Student has a physical problem documented on physician's letterhead

Explore courses will be scheduled so as to place the student in the correct academic course first.

### **PREREQUISITES**

- 6th grade band must be taken to enroll in 7th and/or 8th grade band
- Intro to Drama must be taken to enroll in Advanced Drama
- Please contact the counseling department at 654-9201 with any questions.

### **TELEPHONES**

School telephones are for the use of official school business only. Students may use the phone in the attendance clerk's office with special permission only.

### **SCHOOL PICTURES**

All students will have their pictures taken at the beginning of school. Students will be required to pay the full amount in advance of taking their picture. Defective pictures will be retaken. A picture will be taken (free of charge) for use in the school yearbook.

### **LOST AND FOUND**

Students are requested to properly mark all their belongings so that ownership can be easily established. The lost and found department will be located in the school front office.

## **COMMERCIAL DELIVERIES**

The school cannot and will not deliver items during the school day (flowers and gifts). Deliveries will not be accepted in the school office.

## **VISITATION POLICY**

We welcome visitors to our school! To guarantee the safety of our students, all visitors (including volunteers) must first sign in at the office and receive a Visitor's Pass before going to a classroom. Unauthorized visitors are not allowed on campus at any time. Students from other schools are not allowed to visit the campus. Visitors are not allowed in the classrooms.

## **PARENT-TEACHER CONFERENCE**

Conferences with teachers will not be scheduled during instructional time, but will be scheduled for team planning time. Parent conferences at Northwestern Middle School will be held with the student's team of teachers, not an individual teacher. NMS welcomes parents to visit classrooms. Please contact the guidance office to schedule a conference.

## **CHECK-IN**

Students arriving late to school must report to the Attendance Office and receive an **ADMIT SLIP**. To be admitted to class, the student must present the **ADMIT SLIP** to the teacher.

## **CHECKOUT**

Students who have emergencies during the day must bring a "Request to Check-Out" from the teacher to the office. Student generated check-outs will not be allowed prior to 5th hour and then only if the student is obviously ill. Verbal permission from the parent or guardian to the attendance clerk must be secured before the student will be released to anyone not noted on the emergency card. This protects the students as there are those who will write their own notes. **NO CHECK-OUTS WILL BE ALLOWED AFTER 1:45.**

## **MAKE-UP WORK POLICY**

Students having an excused absence will be given a chance to make up work. It is suggested that exams and other routine work assignments should be completed within one week after returning to school. **It is the student's responsibility to ask for make-up work.** Parents may call the guidance office and ask for homework assignments when the student has been absent for at least three days.

### **Make up work due to excused absences:**

It is the student's responsibility upon returning to school to contact each teacher to make up all work that the student missed during the absence. The individual teacher will set the date the work is due. If the student was absent for an extended length of time, arrangements should be made with the individual teachers and the guidance counselor for any extension.

1. Students will be permitted to make up all work including tests and grad-

ed material unless they received an unexcused absence.

2. It is the student's responsibility, upon his/her return to school, to ask the teacher if any test or graded material needs to be made up. Teachers will at this time establish the time and place of make-up work.
3. Students in school when a test or activity is announced and who miss only the day of the test or activities and return the next day, will be expected to take the test or complete the activity upon the day of their return.
4. Students will be allowed a minimum of one day for each day missed before being required to make up a test, turn in material, or complete an activity. This will not exceed a total of five days. If after notification, the student fails to accomplish make-up work in the allotted time, the grade is recorded as a "0."
5. Students will not be allowed to make up work missed during days of suspension or for days missed while skipping classes. **Work completed at the discipline center will be accepted and graded.**
6. A student who misses one day in which an unannounced quiz was given shall take the quiz upon his / her return.

## **DISCIPLINE**

The ultimate responsibility for student behavior rests with the student and his/her parents; however, we who are charged with the responsibility of educating the students of our community recognize that discipline is a part of our daily responsibility. Although we are concerned with students as individuals, we must also be concerned with the entire student body and ensure that the proper atmosphere for teaching and learning is preserved.

It is our objective, in the area of discipline, to have fair and impartial discipline in order to maintain the total learning environment for all students concerned and to help students develop the self-discipline necessary for learning to occur. Conduct that prevents learning from taking place and/or threatens or endangers any employee or student will not be tolerated.

Students are expected to follow all regulations listed in the Zachary Community School Board Rights and Responsibilities Handbook as well as the Northwestern Middle School Handbook. It is expected that each student and parent will familiarize themselves with the content of this handbook so as not to be surprised at consequences that may befall them.

## **SCHOOL DISCIPLINE POLICY AND REGULATIONS**

Discipline Procedures – Before a teacher sends a student to the office for a minor offense, the following course of action will be taken:

1. The first time a student commits a minor disturbance in the classroom, the teacher will issue a verbal warning.
2. Before any disciplinary action is taken on a student for a minor offense in the classroom, there must be documentation that an authorized school

employee has made parental contact.

3. Following parental contact, the student will be disciplined according to the procedures outlined under Classroom Disturbances.
4. Counseling services with a school counselor may be incorporated in the discipline plan any time it is deemed helpful or requested.

| <b>VANDALISM/DELIBERATE DESTRUCTION OF SCHOOL PROPERTY AND/OR PERSONAL PROPERTY ON SCHOOL GROUNDS OR DURING SCHOOL ACTIVITIES AT ANY TIME</b> | Short term suspension with reimbursement, long term suspension with reimbursement, or recommended expulsion with reimbursement; depending on the results of the investigation. |

**\*WARNING: UPON THE FOURTH SHORT-TERM SUSPENSION THE STUDENT MAY BE RECOMMENDED FOR EXPULSION.**

**The administrative staff may rescind final exam exemptions and/or prohibit students from attending school-based activities and field trips for the following reasons:**

1. Chronic disruptive behavior.
2. One or more suspensions.
3. Excessive tardies / absences.
4. Excessive incidents of no homework and/or not completing assigned work.

### **DISCIPLINE CENTER**

Students may be assigned to the Discipline Center in lieu of being removed. Generally, the Center is offered for removal of 2 – 9 days. Students may not participate in school functions during the assignment to the Discipline Center. Parents must accompany the student each day of check-in to the discipline center. Students will be permitted to make up any work missed during the period of time spent at the Discipline Center. Attendance on all days assigned is required in order to get credit. Any absence will result in no credit for attendance. Any student who has to be dismissed from the Discipline Center, must be picked up and may not return to school for the duration of the suspension.

### **TIME-OUT ROOM (TOR)**

The Time-Out Room concept is of a self-contained program that is a limited extension of the regular classroom while providing an in-house suspension environment incorporating discipline coupled with encouragement. The purpose of the Time-Out Room is to provide an alternative to suspension whereby a student who has committed a minor infraction at school will be able to remain in school and be given an opportunity to modify his/ her

behavior through discipline activities, counseling, class work assignments, encouragement, and parental/guardian contacts. Any student who receives a behavior referral while in TOR will be assigned 2 days in the discipline center and the parent/guardian will be called to pick up the student from school.

### **FRIDAY SCHOOL**

The goal of Friday School is to provide an alternative to students in lieu of short-term suspension. **Friday School will be held at Northwestern Middle School from 2:05 p.m. to 6:00 p.m. on Friday afternoon as needed.**

Because Friday School is an alternative to suspension, no rescheduling will be allowed. Students who fail to report to Friday School will receive a short-term suspension. **NO EXCUSES OR TARDIES WILL BE PERMITTED.** Any student who is removed from Friday School will receive a minimum 2-day suspension.

### **EXPULSION**

Limited expulsion is any denial of school attendance or school related activities which will terminate at the beginning of the next semester. Unlimited expulsion is any denial of school attendance or school related activities for a specific period of time beyond the beginning of the next semester or any permanent denial of school attendance.

### **TARDY POLICY**

***Tardy - not arriving for class at the BEGINNING of the scheduled start time.***

- All tardies are processed through the office; the disposition of tardy cases will be handled according to the discipline policy of the Zachary Community School Board and Northwestern Middle School.
- Any student tardy to HOMEROOM will be sent to the office for an admit slip.
- Tardies after homeroom will be recorded on the Daily Attendance Report form.
- After a student has 6 tardies, the student's tardy record is submitted for disciplinary action.

Note: All tardies will count toward the student's total unless the tardy is accompanied by a doctor's excuse. If a student reports tardy to school with a parental excuse, that student will be allowed to make up missed work, however, the tardy will still count toward the student's total.

### **TARDY LOCKOUT**

Unannounced procedure where tardy students are not allowed to report to class but are redirected to TOR and/or Friday School.

# **STUDENT DRESS CODE**

## **GENERAL APPEARANCE**

Refer to the Zachary Community School Board Students Rights and Responsibilities Handbook.

## **STUDENT IDENTIFICATION CARD**

The I.D. is considered part of the daily uniform. The card is the student's official school and library identification. It must be worn and visible at all times. Loss of an ID card should be reported to the administration of Northwestern Middle School. A \$5.00 fee to replace the ID. A \$2 fee to replace the lanyard. A \$1 fee to replace the case.

A temporary ID card may be rented (only once per week) for \$1.00 from his/her homeroom teacher in the event the student misplaces his/her ID or leaves it at home. Temporary ID's will not be sold after 1st hour. It is the student's responsibility to notify his/her 1st hour teacher (homeroom teacher) and purchase a temporary ID.

**A student will be unable to enter class without an ID card.** He/she must rent a temporary ID, have a parent bring the ID, or remain in TOR until he/she has an ID. This card must be presented each time a student checks in or checks out of school and is tardy for class. A student must also present his/her card each time he/she checks out material from the school library.

The card may also be used as identification with cost of admission to athletic and school activities. Defacing or destroying the ID card will void the ID and subject the student to disciplinary action. Students may not place stickers, notes, pictures, etc. on the ID or inside its case. Lending the ID card to anyone or failure to present it when requested by a school official is a violation of school regulations and will subject the holder to disciplinary action. A new card must be purchased when the old one is damaged beyond use by scanning machines. Additional ID's may be purchased for \$5 each.

### **PHYSICAL EDUCATION PROGRAM**

All students will be required to dress in a full physical education uniform available through the school. Uniforms may be used from one year to the next if they are in good condition. Uniforms may be purchased from your physical education teacher. Uniforms are \$15.00. Locker rental fee is \$5.

- Students are required to dress out daily. Students not dressing out will still be required to participate.
- The uniform must be worn correctly - shirt tucked in and shorts at the waist.
- Tennis shoes and socks are required for P.E. class.
- During cold weather, the P.E. teachers will inform students when they may start wearing sweat suits OVER their P.E. uniform.

must either return the books in usable form or pay the full price for replacement. Library bar codes are used for check out. **Final report cards which indicate promotion or retention will not be mailed to students who owe fees to the school.**

## **LIBRARY MEDIA CENTER POLICY**

### **Circulation of Materials:**

- Books 2 weeks
- Magazines overnight
- Reference materials, computer software, games/newspapers are to be used in the library only.

### **Circulation Procedures**

Students may check out 2 items from the library. If they owe fines or fees over \$3.00 for overdue, lost, or damaged materials, they will not be allowed to check out anything until the obligation has been met. Students will be charged 5 cents per item for every school day material is overdue, with fines not exceeding \$3.00 per item. They will be charged book price for lost or damaged books.

All library patrons may request that a hold be placed on materials that are checked out. The librarian will contact individuals as items are returned.

## **HONOR ROLL AND RECOGNITION**

Academic awards recognize grades in all Core and Explore classes.

## **INDIVIDUAL STUDENT DONATIONS**

\*Donations for individual students to attend field trips, conferences, etc. will not be taken up at school.

### **Special tips to help NMS students succeed:**

\*The 2 most common discipline issues for Northwestern Middle School students are:

#### **Dress Code Infractions**

The majority of dress code infractions processed in the Dean’s office is a result of forgotten ID’s, forgotten belt or unacceptable belt color, and jackets that do not meet the school dress code. Please pay special attention to these areas of the handbook to minimize the number of uniform infractions that you receive. If the problem cannot be immediately corrected, the student will be sent to TOR until proper adjustments are made. NO EXCEPTIONS.

#### **Tardies**

Tardiness is one of the most prevalent issues at the middle school

level. The students are switching classes throughout the day. Students need to move quickly and quietly to avoid being late to class. Most of the tardies occur 1st period as a result of students being dropped off late to school. The only way a tardy to school will be excused without the tardy going on a student's record is if the student has a doctor's excuse. **PARENT NOTES WILL ALLOW THE STUDENT TO MAKE UP WORK MISSED DURING THAT TIME, HOWEVER THE TARDY WILL STILL COUNT TOWARD THE STUDENT'S TOTAL.** If a student is having trouble with early morning tardies, the school bus is a logical alternative. Students are not penalized if a bus arrives late to school.

**NEW POLICIES/PROGRAMS/PROCEDURES MAY BE IMPLEMENTED BY THE ADMINISTRATION. STUDENTS WILL BE NOTIFIED OF ANY CHANGES AND THEY WILL APPEAR ON THE SCHOOL WEBSITE.**

## School-Parent Compact

### What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

#### Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and effective instruction in a safe and supportive learning environment
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress

### SIX TYPES OF PARENT ENGAGEMENT

- PARENTING
- COMMUNICATING
- VOLUNTEERING
- LEARNING AT HOME
- DECISION MAKING
- COLLABORATING

The parents, students, and staff of Northwestern Middle School developed this School-Parent Compact for achievement. Teachers suggested home learning strategies, parents added ideas and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents can contribute comments at any time.

### At Home

Here are some ideas of how families can support students' success:

- See that my child is punctual and attends school regularly
- Support the school in its efforts to maintain proper discipline
- Establish a time for homework and review it regularly
- Read to my child or encourage my child to read daily
- Regularly monitor my child's progress in school
- Participate at school in activities such as decision making, volunteering, and/or attending parent/teacher conferences
- Respect the school, staff, students, and families

### NMS students join staff and parents in working to help them succeed in school to reach their academic targets by:

- Coming to school ready to learn and work hard
- Bringing necessary materials, completed assignments, and homework to class
- Knowing and following school and class rules
- Communicating regularly with my parents and teachers about school experiences so that they can help me to be successful

## STUDENT ATTENDANCE POLICIES & PROCEDURES

Louisiana law mandates compulsory school attendance. Every parent or legal guardian shall enforce, and be held accountable for, the attendance of their child for every district-scheduled school day until the child's 18<sup>th</sup> birthday. By law, a high school student may not be eligible to receive credit and will receive a failing grade for a class if he/she exceeds 5 absences per semester.

The only excusable reasons for being absent from school are as follows:

1. Extended physical or emotional illness as verified by a physician
2. Extended hospital stay as verified by a physician
3. Extended recuperation from an accident as verified by a physician
4. Extended contagious disease within a family as verified by a physician
5. Visitation with a parent who is a member of the U.S. Armed Forces who has been called to duty or is on leave from a combat zone (not to exceed 5 days)
6. Observance of special and recognized holidays of the student's faith
7. Prior ZCSD approved educational travel
8. Death in the immediate family (not to exceed 1 week)
9. Natural catastrophe and/or disaster
10. School sponsored trips (School Sponsored Trips, page A13 of Student Planner)

**STUDENTS GRANTED EXCUSED ABSENCES FOR THE ABOVE REASONS SHALL BE ALLOWED TO MAKE UP ANY SCHOOLWORK WHICH WAS MISSED. THESE EXCUSED ABSENCES WILL NOT COUNT TOWARDS THE MAXIMUM 5 ALLOWABLE ABSENCES.**

- Parent notes will only be accepted for absences of 1-2 consecutive school days due to personal illness or serious illness in the family. The student will be allowed to makeup missed work for credit, but the absence *will count* towards the maximum 5 allowable absences, unless accompanied by a physician's verification. Only 5 parent notes will be accepted for absences per semester, additionally, only 5 notes for tardies to school will be accepted per semester.
- If a student is absent for 3 or more consecutive days, he/she must present documentation from a physician, nurse practitioner, or dentist.
- **STUDENTS WILL NOT BE EXCUSED FOR VACATIONS OR OTHER FAMILY TRIPS. THIS MUST BE APPROVED BY THE PRINCIPAL.**

All written verifications must be turned into the ZHS Attendance Office within 5 school days of the student's return. After 5 days, the absence must be excused by the Director of School and Home Relations. Phone calls informing the Attendance clerk that a student will be absent due to illness, personal reasons, appointments, etc. will NOT excuse an absence.

### **CHECKING IN AND OUT**

Students are given an emergency card at the beginning of the school year. This card **MUST** be filled out by a parent/guardian, signed and returned to the Attendance office. To check out a student, the person picking the student up must show a photo ID and be listed on the student's emergency card. Students cannot check out without an emergency card.

Students who are sick, have an appointment, etc., must bring their student planner signed by their teacher at the time of check-out. A parent/guardian will be called to either pick them up or give verbal permission for them to leave. For planned check-outs, the student needs to bring a note from the parent/guardian to the Attendance office. The parent/guardian will be called to verify. When the student returns to school, a parent or doctor's note must be turned in to the Attendance office in order to excuse the check-out. In order to participate in any extracurricular and/or special events, students must be present at school a minimum of (4) class periods the day of the event or the day prior, if the event falls on a weekend.

### **TARDY TO SCHOOL/CLASS**

Students who arrive to school after the tardy bell **MUST** report to the Attendance Office and receive an admit slip. HE/SHE **MUST PRESENT THIS ADMIT SLIP TO THE TEACHER TO BE ADMITTED TO CLASS.**

- Unexcused tardies to school in the morning will incur disciplinary action. See the discipline consequences chart on page A11

**STUDENTS ARE CONSIDERED TARDY FOR CLASS WHEN THE BELL BEGINS TO RING.** The only excused tardies to class will be those accompanied by an admit slip from the Attendance Office. Students should not be out of class during class time unless they have a planner signed by the teacher.

- Unexcused tardies to class will incur disciplinary action. See the discipline consequences chart on page A11

Tardies accrued will restart at midterm; the number of suspensions will carry over to the next semester

### **MAKE-UP TESTS/QUIZZES**

A student is required to take a test as scheduled even if he/she is absent the day before the test, if the teacher announced the test prior to the student's absence. If a test is announced for the first time the day of the student's absence, the student will not be required to take the test upon immediate return. However, *it is the student's responsibility to request make-up work and tests. The student will be expected to complete all work within the time limit specified by each teacher.*

### **SCHOOL SPONSORED TRIPS**

School sponsored trips include, but are not limited to, field trips, conventions, extracurricular events and competitions. Students with academic, attendance or discipline issues may not be allowed to participate in these trips depending on the circumstances surrounding the issues. In particular, no students with a failing grade in a class will be allowed to miss the class they are failing in order to attend another school sponsored event. In all cases, the administration will have final approval regarding student attendance on a school sponsored trip.

## **UNIFORM POLICY**

**Please refer to ZCSD's Student Rights and Responsibilities Handbook and for the current Uniform and Discipline policies.**

**THE ADMINISTRATION OF ZACHARY HIGH SCHOOL RESERVES THE RIGHT TO JUDGE THE DRESS OF ANY STUDENT AS APPROPRIATE OR INAPPROPRIATE. AT ANY POINT DURING THE SCHOOL YEAR, THE SCHOOL ADMINISTRATION RESERVES THE RIGHT TO UPDATE THE UNIFORM AND GROOMING POLICIES TO ADDRESS ANY ISSUES THAT MAY ARISE AND ARE NOT SPECIFICALLY ADDRESSED IN THE WRITTEN POLICY. ADMINISTRATIVE DIRECTIVES PROVIDED OVER THE INTERCOM OR IN PERSON TO A STUDENT ARE CONSIDERED ADDENDUMS TO THE WRITTEN DRESS CODE POLICY AND WILL BE ENFORCED.**

### **STUDENT IDENTIFICATION CARD**

All students are required to obtain a valid picture student ID card which must be worn around the neck with a ZHS lanyard and clearly visible at all times. The card is the student's official school and library identification, and may also be used as identification, with cost of admission, to athletic and school activities. A temporary ID may be purchased for \$1.00 in the main office or Foundation Hall office in the event the student misplaces his/her ID or leaves it at home. Any school ID being misused will be confiscated. A new card must be purchased for \$5 when the old one is lost or damaged beyond use. Students with a missing, damaged, defaced, or improper ID card must immediately repair or replace the ID.

## **DISCIPLINE POLICIES & PROCEDURES**

Although the ultimate responsibility for student conduct rests with the student and the parents/legal guardian, it is the daily responsibility of school personnel to see that no single person interferes with the total-learning environment of other students. The school demonstrates concern for the group and its welfare by preserving the proper atmosphere for teaching and learning.

Disciplinary measures may include assignment to After-school clinic, Lunch detention, Time-Out Room (TOR), Saturday School, Suspension (Discipline Center), or expulsion.

**\*\*If a student is suspended or expelled, he/she is not allowed to attend any ZHS activities or participate in any school activity (whether held on or off campus) for the duration of the suspension/expulsion, including weekends and holidays. School activities include programs such as Graduation, athletic events, pep rallies, assemblies, dances, etc.**

### **AFTER-SCHOOL CLINIC**

After-School Clinic is designed to serve as the first consequence when students begin experiencing problems with tardiness and dress code issues. Its purpose is to keep students from missing class time, but still serve a consequence. After-school Clinic is held on Wednesdays from 2:20 p.m. until 3:20 p.m. Failure to attend After-school Clinic will result in the student being assigned to Saturday School detention on the following Saturday.

### **LUNCH DETENTION**

Lunch detention is typically a five-day detention during the student's assigned lunch time for a cell phone violation or cafeteria issue. The purpose is to keep students from missing class time, but still serve as consequence. Failure to attend will result in the student being assigned to Saturday School.

### **TIME-OUT ROOM (TOR)**

The Time-Out Room is a limited extension of the regular classroom. It provides an in-house suspension environment that incorporates discipline and encouragement. TOR is used mainly for minor infractions at school. Students will be able to remain in school and be given an opportunity to modify his/her behavior while completing class work. Any student removed from TOR will face additional disciplinary sanctions. Occasionally, TOR is used for suspensions when students must be separated.

### **SATURDAY SCHOOL**

The goal of Saturday School detention is to provide an alternative to students in lieu of missing class time. Saturday School will be held at Zachary High School from 8:00 AM to 12:00 PM on Saturday mornings. Students must be in school uniform and bring any necessary materials (paper, pencil, pen, textbooks, notebooks, etc.). Students may work on homework, classwork, or read a book. Students who fail to report to Saturday School will receive a 2-day suspension. **NO EXCUSES OR TARDIES WILL BE PERMITTED.**

**SUSPENSION/ DISCIPLINE CENTER (DC)**

Students who are suspended will be assigned to the Discipline Center. Parents/students must provide their own transportation to and from DC. Students will be sent work by teachers during the time spent at the Discipline Center. Any absence from DC will result in zeros on all assignments due to non-attendance. Students who are currently suspended are not allowed to attend any extracurricular activities. A student will be recommended for expulsion upon the 3<sup>rd</sup> suspension.

**EXPULSION**

In pursuant with La RS 17:416, expulsion is defined as a removal from all regular school settings for a period of not less than one semester, unless otherwise defined by subsections B and C. Students returning at mid-term will return on probation. Students expelled from Zachary High School are not allowed to attend any extracurricular activities.

Unlimited expulsion is any denial of school attendance for a specific period of time beyond the beginning of the next semester or any permanent denial of school attendance.

**SENIOR CONDUCT**

Any senior suspended and/or recommended for expulsion during their last 10 days or after their last regular class period may be excluded from year-end activities, including participation in Graduation exercises/events.

**9<sup>TH</sup>, 10<sup>TH</sup>, & 11<sup>TH</sup> GRADE STUDENT CONDUCT DURING THE LAST 10 DAYS OF SCHOOL**

Any recommendation for suspension and/or expulsion may be extended to the next school year for students who commit offenses during the last 10 days of school.

**BULLYING POLICY**

Please refer to the Zachary Community School District Students Rights and Responsibilities Handbook. District policy regarding bullying can also be found at [www.zacharyschools.org](http://www.zacharyschools.org).

**CELLPHONE AND OTHER ELECTRONIC DEVICES**

Cellphones shall not be on or visible during school hours (6:40 – 2:17).

**“OFF and OUT OF SIGHT”**

Smartwatches, or other wearable Wi-Fi-enabled devices, may be worn but Bluetooth features must be turned off. Earbuds, air pods, headphones, etc. are not allowed at school and are treated as a cellphone violation.

### **SEMESTER GRADING, PROGRESS REPORTS, & REPORT CARDS**

The academic year is made up of two semesters (fall and spring). Each semester is a total of 18 weeks, and the final semester grade will be a cumulative grade for all work done over the entire 18-week period. Students will receive a progress report after each 6-week period; however, grades will continue accumulating until the end of the 18-week semester. Once the semester has ended, parents will be mailed a report card showing the final semester grade earned. The mailing dates will be approximately as follows:

|                   |                                                         |

### **GRADE-LEVEL CLASSIFICATION**

The Carnegie Unit is the basis for determining the grade level in high school. A student's grade level at the beginning of the school year is determined by the number of units the student has earned, as indicated below. Credit for high school courses taken in middle school will count toward units earned, but the quality points for those classes will not be used in determining the high school grade point average.

|                         |                   |
|-------------------------|-------------------|
| 9 <sup>th</sup> Grade:  | 0.0 - 5.5 units   |
| 10 <sup>th</sup> Grade: | 6.0 - 11.5 units  |
| 11 <sup>th</sup> Grade: | 12.0 - 16.5 units |
| 12 <sup>th</sup> Grade: | 17.0 + units      |

### **CARNEGIE UNITS OF CREDIT**

Units of credit are earned based on semester grade. One-half ( $\frac{1}{2}$ ) unit of credit shall be awarded for each successful semester completed of a full unit course. Certain classes may be worth more than 1.0 unit of credit, such as Welding, COE, Cooperative Marketing, and Dual Enrollment courses, etc. Certain courses are offered for no credit, such as Office Aide, Library Aide, etc.

### **GRADUATION REQUIREMENTS**

Graduation requirements are specific to the year the student enters 9<sup>th</sup> grade. The requirements can be found on the Zachary High webpage ([www.zacharyhigh.org](http://www.zacharyhigh.org)) in the Counseling Department under Graduation Requirements. Additional information can be also obtained from the Counseling Office.

### **VALEDICTORIAN AND SALUTATORIAN**

The Valedictorian, recognized each year at graduation, is the student(s) who maintains the highest grade point average for his/ her years in high school.

The Salutatorian, recognized each year at graduation, is the student(s) who maintains the second highest grade point average for his/ her years in high school.

If there is a tie for Valedictorian or Salutatorian, then those students tied for that honor shall share the honor.

To be considered for Valedictorian and Salutatorian, the student must be enrolled in Zachary High for the final three semesters of high school.

### **NATIONAL HONOR SOCIETY**

Membership in the National Honor Society is one of the highest honors that can be awarded to a high school student. Chapters in schools across the nation strive to give practical meaning to the society's goals of scholarship, leadership, service and character. These four ideals are considered the basis of student selection. The National Honor Society strives to recognize the total student, one who excels in all areas.

The standards for National Honor Society selection are:

- Scholarship:** Juniors & seniors who have earned at least a 3.50 unweighted cumulative GPA and have been enrolled at ZHS for at least 1 semester.
- Leadership:** Students who are true leaders; more than just holding an office.
- Service:** Students who provide service to both the school and their community.
- Character:** Students who always display character.

Students who meet the Scholarship criteria are invited by letter to apply for membership. Leadership and service are evaluated based on information provided by the student using the NHS Application. The application requires that students list every activity that might indicate responsibility, leadership and service to both the school and the community. Applications are presented to a committee of teachers who score the applications. Students who are selected for membership are notified by an acceptance letter, and are then required to pay dues prior to their induction. Students who have disciplinary infractions (multiple infractions, cheating and in- or out-of-school suspensions) are not eligible to become a NHS member. The number and severity of the infractions are obviously considered in the evaluation.
