- Please click [here](#) for information and resources that can support our students in a variety of ways.
- We will continually update this webpage as needed.

Zachary Community School District's Student At-Home Learning Packets

- The Zachary Community School District is providing a learning packet for grades PreK – 12th. Pick up will be by drive-through on Thursday, March 19, 2020, from 7:00 a.m. to 7:00 p.m.
 - **All parents are asked to print/write their child's name and grade level on a full sheet of paper (one page per child) to provide to staff in exchange for his/her grade-level packet.**
 - This will help us in identifying any student who does not receive this resource.
 - Additional materials, from courses not included in the grade-level learning packet, may be mailed directly to students.
 - See Packet Pickup Maps Below:

Louisiana Department of Education Academic Resources

- The Louisiana Department of Education, in partnership with Louisiana Public Broadcasting (LPB), will provide home learning tools for teachers, students and caregivers. This will include:
 - An online hub that is set to launch on March 18. It will consist of links to High-Quality Curriculum Resources.
 - Increased access to digital content, including virtual lessons
 - Resources to teach young children about COVID-19
- Broadcasted educational programming through LPB and YouTube Channels.

Note: LDOE information will be available through our [At-Home Learning Resources Page](#).
