

Family Engagement

Spring 2023

ZCSD Family,

As we enter the last few weeks of the school year, I want to thank our parents/guardians for their support throughout the year. Your support and dedication help our students to do their very best each day. Thank you for the strong partnerships and respectful relationships that are the foundation of our students' achievement. We've had a successful, busy, fun-filled year and have enjoyed having you back in our schools to see the wonderful things that happen in our district each day.

Before we dismiss for the summer on May 25th, we have state testing and many end-of-the-year activities for our students and parents. This newsletter contains testing dates and tips that you can use to help your child feel relaxed and ready. I know that they will shine and finish strong.

Sincerely,
Scott Devillier, Superintendent

English I:

April 24th

Geometry:

April 25th

US History:

April 26th

English II:

April 27th

Algebra I:

April 28th

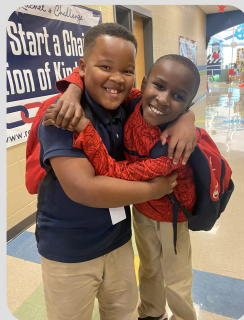

Biology:

May 1st

Testing Tips for Parents

- Make sure your child gets plenty of rest the night before the test.
- Have uniforms and other necessities ready to go.
- On the morning of the test, your child needs to wake up in plenty of time so he/she won't feel rushed.
- Feed your child a good breakfast. Research shows that children do better on tests if they have had a good breakfast.
- Do as much as you can to make your child feel comfortable. Encourage them to simply do their best.
- Be calm and upbeat.

Ask the District

The Zachary Community School District welcomes your questions, suggestions, and comments. There are a variety of ways our stakeholders can communicate with our district. Our goal is to resolve most issues at the school level through communication and discussion. In addition, we have a direct line to our district main office through "Ask the District."
