July 10, 2025

Dear Zachary Families,

As the 2025–2026 school year quickly approaches, we are excited to welcome our students back to school on Thursday, August 7, 2025. We are committed to supporting you in preparing for the new school year by ensuring you have access to important district information, now and throughout the year.

Last year, our theme “Continuing the Tradition: Academics, Arts, and Athletics” came to life through the remarkable accomplishments of our students and schools, including numerous regional and state championships in athletics and extracurricular programs. Building on that momentum, this year’s district theme is “Zachary Forward,” a focus on securing the resources we need to ensure continued growth, innovation, and excellence in everything we do.

As both a ZCSD employee and the proud parent of three ZHS graduates, it is my honor to live and work in a community with such a strong tradition of dedication and support for our schools. Keeping you informed, engaged, and empowered as partners in your child’s education is a top priority. When schools and families work together, our students thrive academically, socially, and emotionally.

To help you prepare for the upcoming school year, please explore the ZCSD Parent Resource Dashboard, linked below. This hub, along with our district website, includes school supply lists, orientation schedules, student forms, meal applications, and more. If you have questions or need assistance, don’t hesitate to contact your child’s school, our district office, or use the “Ask the District” feature on our website.

Thank you for helping us continue the tradition of excellence in Zachary. We look forward to a successful and inspiring school year - Zachary Forward!

Together in Education,
Ben Necaie
